

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Adrianna Baryla  
DOCKET NO.: 20-00241.001-R-1  
PARCEL NO.: 12-19-203-004

The parties of record before the Property Tax Appeal Board are Adrianna Baryla, the appellant, by attorney Gregory Riggs of Tax Appeals Lake County, in Lake Zurich; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$ 29,541  
**IMPR.:** \$112,845  
**TOTAL:** \$142,386

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a split-level style dwelling of frame and brick construction that was built in 1975 with an effective age of 1984. The dwelling contains 2,162 square feet of living area and is situated on a 17,500 square foot site. Features include a finished lower-level two fireplaces and an attached garage. The subject property is in Shields Township, DuPage County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted three comparable sales that had varying degrees of similarity when compared to the subject. The comparables sold from July 2019 to March 2020 for prices ranging from \$309,000 to \$452,000 or from \$122.89 to \$187.53 per square foot of living area including land.

The appellant also submitted the final decision issued by the Lake County Board of Review for the 2020 tax year disclosing the subject's final assessment of \$160,974. The subject's assessment reflects an estimated market value of \$483,551 or \$223.66 per square foot of living area including land when applying the 2020 three-year average median level of assessment for Lake County of 33.29%. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review did not timely submit its "Board of Review Notes on Appeal" or any evidence in support of its assessment of the subject property as required by section 1910.40(a) of the rules of the Property Tax Appeal Board. 86 Ill.Admin.Code §1910.40(a). Therefore, the board of review was found to be in default pursuant to section 1910.69(a) of the rules of the Property Tax Appeal Board. 86 Ill.Admin.Code §1910.69(a).

### **Conclusion of Law**

The taxpayer argued the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The appellant submitted three comparable sales to support the contention that the subject property is overvalued. The Board finds the board of review did not submit any evidence in support of the correct assessment of the subject property or to refute the value evidence submitted by the appellant. 86 Ill.Admin.Code §1910.40(a). Therefore, the board of review was found to be in default pursuant to section 1910.69(a) of the rules of the Property Tax Appeal Board. 86 Ill.Admin.Code §1910.69(a). The comparable sales submitted by the appellant have varying degrees of similarity when compared to the subject and sold from July 2019 to March 2020 for prices ranging from \$309,000 to \$452,000 or from \$122.89 to \$187.53 per square foot of living area including land. The subject's assessment reflects an estimated market value of \$483,551 or \$223.66 per square foot of living area including land, which falls above the range established by the only comparable sales contained in the record. After considering adjustments to the comparables for differences when compared to the subject, the Board finds the subject's estimated market value as reflected by its assessment is excessive and a reduction is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
