

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Scott Riske
DOCKET NO.: 20-00244.001-R-1
PARCEL NO.: 05-33-410-014

The parties of record before the Property Tax Appeal Board are Scott Riske, the appellant, by attorney Gregory Riggs of Tax Appeals Lake County in Lake Zurich; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$8,019
IMPR.: \$68,706
TOTAL: \$76,725

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of wood siding exterior construction with 2,298 square feet of living area. The dwelling was constructed in 2006. Features of the home include an unfinished basement, central air conditioning and a 420 square foot garage. The property has an approximately 7,580 square foot site and is located in Lakemoor, Grant Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on three comparable sales with the same assessment neighborhood code as the subject and located within .09 of a mile from the subject property. The comparables have sites that range in size from 7,501 to 12,314 square feet of land area. The comparables are improved with two-story dwellings of frame exterior construction with 2,308 or 2,311 square feet of living area. The dwellings were built in 2006 or 2007. Each comparable

has an unfinished basement, central air conditioning and a garage with either 420 or 616 square feet of building area. Comparable #3 has a fireplace. The properties sold from April 2018 to April 2020 for prices ranging from \$226,000 to \$236,000 or from \$97.79 to \$102.25 per square foot of living area, including land. Based on this evidence, the appellant requested the subject's assessment be reduced to \$72,993, which would reflect a market value of \$219,001 or \$95.30 per square foot of living area, including land, when using the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$76,725. The subject's assessment reflects a market value of \$230,475 or \$100.29 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on three comparable sales with the same assessment neighborhood code as the subject and located within .05 of a mile from the subject property. The board of review's comparables #1 and #2 are the same properties as the appellant's comparables #1 and #3, respectively, which were previously described. Board of review comparable #3 has a site containing 7,580 square feet of land area that is improved with a two-story dwelling of wood siding exterior construction with 2,278 square feet of living area. The dwelling was built in 2006 and has an unfinished basement, central air conditioning and a 420 square foot garage. The property sold in May 2020 for \$249,000 or \$109.31 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of four suggested comparable sales for the Board's consideration, as two sales were common to both parties. The Board has given less weight to the appellant's comparable #2 as its sale occurred in 2018, which is less proximate in time to the assessment date issue than the remaining comparables in the record, and thus less likely to be reflective of market value as of January 1, 2020.

The Board finds the best evidence of market value to be the parties' two common comparables and board of review comparable #3. These three comparables are similar to the subject in location, dwelling size, design, age and most features. The properties sold from March 2019 to May 2020 for prices ranging from \$230,000 to \$249,000 or from \$99.65 to \$109.31 per square foot of living area, including land. The subject's assessment reflects a market value of \$230,475 or \$100.29 per square foot of living area, including land, which falls within the range established

by the best comparable sales in the record. Based on this record, the Board finds no reduction in the subject's estimated market value as reflected by its assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
