

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Margaret Ryan  
DOCKET NO.: 20-00248.001-R-1  
PARCEL NO.: 05-27-404-003

The parties of record before the Property Tax Appeal Board are Margaret Ryan, the appellant, by attorney Gregory Riggs of Tax Appeals Lake County in Lake Zurich; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$8,890  
**IMPR.:** \$73,298  
**TOTAL:** \$82,188

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of wood siding exterior construction with 2,229 square feet of living area. The dwelling was constructed in 2006. Features of the home include a basement, central air conditioning, a fireplace and a 462 square foot garage. The property has an approximately 8,400 square foot site and is located in Volo, Grant Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on four comparable sales with the same assessment neighborhood code as the subject and located within .31 of a mile from the subject property. The comparables have sites that range in size from 5,863 to 8,999 square feet of land area. The comparables are improved with two-story dwellings of frame exterior construction ranging in size from 2,229 to 2,262 square feet of living area. The dwellings were built from 2006 to 2015.

Each comparable has a basement with two having a walkout design, central air conditioning and a garage ranging in size from 420 to 462 square feet of building area. One comparable has a fireplace. The properties sold from April to October 2019 for prices ranging from \$232,000 to \$243,000 or from \$103.46 to \$109.02 per square foot of living area, including land. Based on this evidence, the appellant requested the subject's assessment be reduced to \$76,492, which would reflect a market value of \$229,499 or \$102.96 per square foot of living area, including land, when using the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$82,188. The subject's assessment reflects a market value of \$246,885 or \$110.76 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on four comparable sales with the same assessment neighborhood code as the subject and located within .25 of a mile from the subject property. The board of review's comparable #1 is the same property as the appellant's comparable #4, where the board of review reported data on the property's 2020 sale and the appellant reported data on the property's 2019 sale. The comparables have sites that range in size from 6,520 to 9,000 square feet of land area. The comparables are improved with two-story dwellings of wood siding exterior construction ranging in size from 2,229 to 2,276 square feet of living area. The dwellings were built in 2006 or 2009. Each comparable has a basement, central air conditioning and a garage with either 420 or 462 square feet of building area. Three comparables each have one fireplace. The properties sold from July to November 2020 for prices ranging from \$249,000 to \$310,000 or from \$110.57 to \$137.41 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of nine suggested comparable sales for the Board's consideration, as the one common comparable sold twice. The Board finds all of the comparables are similar to the subject in location, dwelling size, design, age and features. The properties sold from April 2019 to November 2020 for prices ranging from \$232,000 to \$310,000 or from \$103.46 to \$137.41 per square foot of living area, including land. The subject's assessment reflects a market value of \$246,885 or \$110.76 per square foot of living area, including land, which falls within the range established by the comparable sales in the record. Based on this record and after considering adjustments to the comparables for differences from the subject, the Board finds no reduction in the subject's estimated market value as reflected by its assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
