

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Iskren Petkov
DOCKET NO.: 20-00268.001-R-1
PARCEL NO.: 16-32-113-014

The parties of record before the Property Tax Appeal Board are Iskren Petkov, the appellant, by attorney Gregory Riggs, of Tax Appeals Lake County in Lake Zurich; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$48,364
IMPR.: \$72,439
TOTAL: \$120,803

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling of brick and wood siding exterior construction with 1,643 square feet of living area. The dwelling was constructed in 1956. Features of the home include a lower level with finished area, central air conditioning and a 253 square foot garage. The property has an approximately 9,000 square foot site and is located in Deerfield, West Deerfield Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located from 0.30 of a mile to 1.18 miles from the subject property. The comparables have sites that range in size from 9,600 to 10,800 square feet of land area and are improved with one-story dwellings of brick or brick and wood siding exterior construction that range in size from 1,664 to 2,050 square feet of living area. The dwellings were built from 1956 to 1959. One comparable has a lower level, one

comparable has a basement and one comparable has a concrete slab foundation. Each comparable has central air conditioning, one or two fireplaces and a garage ranging in size from 264 to 550 square feet of building area. The properties sold from May 2019 to May 2020 for prices ranging from \$301,000 to \$357,500 or from \$163.31 to \$180.89 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's assessment be reduced to \$102,323 which reflects a market value of \$307,000 or \$186.85 per square foot of living area, land included, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$120,803. The subject's assessment reflects a market value of \$362,881 or \$220.86 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on three comparable sales located within 0.29 of a mile from the subject property. The comparables have sites that range in size from 8,930 to 10,120 square feet of land area and are improved with one-story dwellings of brick and wood siding exterior construction that have either 1,252 or 1,655 square feet of living area. The homes were each built in 1956. Each comparable has a lower level, two with finished area, and central air conditioning. One comparable has a fireplace and one comparable has a 264 square foot garage. The properties sold from March 2019 to August 2020 for prices ranging from \$320,000 to \$457,500 or from \$255.59 to \$299.52 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted six comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparables #2 and #3 along with board of review comparables #1 and #3 which differ from the subject in location, foundation type and/or are dissimilar to the subject in dwelling size.

The Board finds the best evidence of market value to be the appellant's comparable #1 and board of review comparable #2 which are more similar to the subject in location, age, design, dwelling size and other features. These comparables sold in May and August 2020 for prices of \$301,000 and \$457,500 or for \$180.89 and \$276.44 per square foot of living area, including land, respectively. The subject's assessment reflects a market value of \$362,881 or \$220.86 per square foot of living area, including land, which is bracketed by the two best comparable sales in this record. After considering appropriate adjustments to the comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
