

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Lisa Hough  
DOCKET NO.: 20-00272.001-R-1  
PARCEL NO.: 16-07-303-005

The parties of record before the Property Tax Appeal Board are Lisa Hough, the appellant, by attorney Gregory Riggs, of Tax Appeals Lake County in Lake Zurich; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$106,682  
**IMPR.:** \$128,008  
**TOTAL:** \$234,690

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of brick and wood siding exterior construction with 3,706 square feet of living area. The dwelling was constructed in 1972. Features of the home include a concrete slab foundation, central air conditioning, a fireplace and a 594 square foot garage. The property has an approximately 20,350 square foot site and is located in Lake Forest, West Deerfield Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales located within 0.38 of a mile from the subject property. The comparables have sites that range in size from 15,000 to 24,190 square feet of land area and are improved with two-story dwellings of brick, wood siding or brick and wood siding exterior construction that range in size from 3,013 to 3,620 square feet of living area. The dwellings were built from 1966 to 1983. Each comparable has a concrete slab

foundation, central air conditioning, one or two fireplaces and a garage ranging in size from 484 to 812 square feet of building area. The properties sold from March 2019 to August 2020 for prices ranging from \$605,000 to \$675,000 or from \$176.59 to \$209.09 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's assessment be reduced to \$234,690 which reflects a market value of \$704,140 or \$190.00 per square foot of living area, land included, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$272,208. The subject's assessment reflects a market value of \$817,687 or \$220.64 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales located within 0.38 of a mile from the subject property. Board of review comparable #5 is the same property as the appellant's comparable #4. The comparables have sites that range in size from 20,350 to 24,190 square feet of land area and are improved with two-story dwellings of brick, wood siding or brick and wood siding exterior construction that range in size from 2,976 to 3,338 square feet of living area. The homes were built from 1966 to 1973. Four comparables have a basement with finished area and one comparable has a concrete slab foundation. Each comparable has central air conditioning, one to three fireplaces and a garage ranging in size from 484 to 820 square feet of building area. The properties sold from March 2019 to November 2020 for prices ranging from \$630,000 to \$880,000 or from \$209.09 to \$268.13 per square foot of living area, land included.

The board of review also submitted written comments responding to the appellant's comparable sales evidence. Based on this evidence, the board of review requested the subject's assessment be confirmed.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The record contains eight comparable sales for the Board's consideration as one property was common to both parties. The Board gives less weight to the appellant's comparable #4/board of review comparable #5, due to its smaller dwelling size when compared to the subject. The Board gives less weight to board of review comparables #1, #2, #3 and #4 which differ from the subject in both smaller dwelling size and finished basement feature when compared to the subject's dwelling size and concrete slab foundation.

The Board finds the best evidence of market value to be the appellant's comparables #1, #2 and #3 which are more similar to the subject in location, age, design, dwelling size and foundation

type. These comparables sold from March 2019 to August 2020 for prices of \$605,000 and \$675,000 or from \$176.59 to \$198.88 per square foot of living area, including land. The subject's assessment reflects a market value of \$817,687 or \$220.64 per square foot of living area, including land, which falls above the range established by the best comparable sales in this record. After considering appropriate adjustments to the comparables for differences from the subject, the Board finds a reduction in the subject's assessment, commensurate with the request, is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
