

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Francis Kuzhiyil
DOCKET NO.: 20-00277.001-R-1
PARCEL NO.: 16-32-209-007

The parties of record before the Property Tax Appeal Board are Francis Kuzhiyil, the appellant, by attorney Gregory Riggs, of Tax Appeals Lake County in Lake Zurich; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$69,113
IMPR.: \$301,479
TOTAL: \$370,592

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of brick exterior construction with 5,091 square feet of living area. The dwelling was constructed in 2007. Features of the home include a basement with finished area, central air conditioning, two fireplaces and a 769 square foot garage. The property has an approximately 15,200 square foot site and is located in Deerfield, West Deerfield Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales located from 0.67 of a mile to 1.07 miles from the subject property. Two of the comparables have sites with either 12,600 or 23,430 square feet of land area. The parcels are improved with 1.5-story or 2-story dwellings of brick or wood siding exterior construction that range in size from 4,365 to 5,653 square feet of living area. The dwellings were built from 2001 to 2004. Each comparable has an unfinished

basement, central air conditioning, one or two fireplaces and a garage ranging in size from 594 to 1,016 square feet of building area. The properties sold from September 2018 to July 2020 for prices ranging from \$815,000 to \$1,010,000 or from \$172.92 to \$202.32 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's assessment be reduced to \$296,637 which reflects a market value of \$890,000 or \$174.82 per square foot of living area, land included, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$370,592. The subject's assessment reflects a market value of \$1,113,223 or \$218.66 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales located from 0.07 of a mile to 1.35 miles from the subject property. Three of the comparables have sites that range in size from 11,750 to 17,550 square feet of land area. The parcels are improved with 1-story or 2-story dwellings that have a mixture of brick, stone and wood siding exterior construction and range in size from 3,327 to 5,041 square feet of living area. The homes were built from 2005 to 2017. Three comparables each have a basement with two having finished area and one comparable has a crawl space foundation. Each property has central air conditioning and a garage ranging in size from 525 to 875 square feet of building area. Three comparables each have one fireplace. The properties sold from August 2017 to July 2020 for prices ranging from \$910,000 to \$1,235,000 or from \$227.44 to \$338.14 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted eight comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparables #2 and #3 along with board of review comparables #2 and #4 which differ from the subject in location, foundation type and/or sold in 2017 or 2018, less proximate to the January 1, 2020 assessment date at issue than other sales in the record.

The Board finds the best evidence of market value to be the remaining comparables which sold more proximate to the assessment date at issue in this appeal and are similar to the subject in location, age, dwelling size and other features. These comparables sold from July 2019 to July 2020 for prices ranging from \$815,000 to \$1,235,000 or from \$186.71 to \$244.99 per square foot of living area, including land. The subject's assessment reflects a market value of \$1,113,223 or \$218.66 per square foot of living area, including land, which falls within the range established by the best comparable sales in this record. After considering appropriate adjustments to the

comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
