

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Alissa Bencks
DOCKET NO.: 20-00281.001-R-1
PARCEL NO.: 15-23-104-001

The parties of record before the Property Tax Appeal Board are Alissa Bencks, the appellant, by attorney Gregory Riggs, of Tax Appeals Lake County in Lake Zurich; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$62,416
IMPR.: \$90,744
TOTAL: \$153,160

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling of brick and wood siding exterior construction with 2,618 square feet of living area. The dwelling was constructed in 1963. Features of the home include a crawl space foundation, central air conditioning, a fireplace, a 520 square foot garage and a 378 square foot enclosed porch.¹ The property has an approximately 19,600 square foot site and is located in Lincolnshire, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on five comparable sales located within 0.37 of a mile from the subject property. The comparables have sites that range in size from 20,038 to 41,382 square

¹ The Board finds the best description of the subject was reported in the subject's property record card submitted by the board of review.

feet of land area and are improved with one-story dwellings of brick or frame exterior construction that range in size from 2,682 to 3,315 square feet of living area. The dwellings were built from 1957 to 1968. Each comparable has central air conditioning and a garage ranging in size from 480 to 818 square feet of building area. Four comparables have either one or two fireplaces. The properties sold from October 2018 to August 2020 for prices ranging from \$430,000 to \$475,000 or from \$142.54 to \$167.04 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's assessment be reduced to \$132,653 which reflects a market value of \$397,999 or \$152.02 per square foot of living area, land included, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$153,160. The subject's assessment reflects a market value of \$460,078 or \$175.74 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on three comparable sales located within 0.57 of a mile from the subject property. Board of review comparable #3 is the same property as the appellant's comparable #2. The comparables have sites that range in size from 19,170 to 25,260 square feet of land area and are improved with one-story dwellings of wood siding exterior construction that range in size from 2,760 to 3,007 square feet of living area. The homes were built in 1958 or 1960. Two comparables have a crawl space foundation and one comparable has a concrete slab foundation. Each comparable has central air conditioning, one or two fireplaces and a garage ranging in size from 436 to 735 square feet of building area. The properties sold from June 2019 to July 2020 for prices ranging from \$475,000 to \$488,000 or from \$157.96 to \$176.81 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains seven comparable sales for the Board's consideration, with one property common to both parties. The Board gives less weight to the appellant's comparables #1, #3 and #4 along with board of review comparable #1 which, compared to the subject, have larger garage capacity, a larger site size and/or sold in 2018, less proximate to the January 1, 2020 assessment date.

The Board finds the best evidence of market value to be the remaining comparables which are more similar to the subject in location, age, design, dwelling size and other features. These comparables sold from June 2019 to August 2020 for prices ranging from \$450,000 to \$488,000

or from \$142.54 to \$176.81 per square foot of living area, including land. The subject's assessment reflects a market value of \$460,078 or \$175.74 per square foot of living area, including land, which falls within the range established by the best comparable sales in this record. After considering appropriate adjustments to the comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
