

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Daniel Tomaszewski  
DOCKET NO.: 20-00299.001-R-1  
PARCEL NO.: 15-06-415-004

The parties of record before the Property Tax Appeal Board are Daniel Tomaszewski, the appellant, by attorney Gregory Riggs, of Tax Appeals Lake County in Lake Zurich; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$23,992  
**IMPR.:** \$97,409  
**TOTAL:** \$121,401

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of wood siding exterior construction with 2,280 square feet of living area. The dwelling was constructed in 1992. Features of the home include an unfinished basement, central air conditioning and a 420 square foot garage. The property has an approximately 8,770 square foot site and is located in Vernon Hills, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on five comparable sales located within 0.23 of a mile from the subject property. The comparables have sites that range in size from 7,524 to 20,503 square feet of land area and are improved with two-story dwellings of frame exterior construction that range in size from 1,920 to 2,280 square feet of living area. The dwellings were built from 1989 to 1991. Each comparable has a basement, two with finished area, central air conditioning and a

garage with either 400 or 420 square feet of building area. Three comparables each have one fireplace. The properties sold from July 2018 to September 2019 for prices ranging from \$258,000 to \$362,500 or from \$134.38 to \$167.28 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's assessment be reduced to \$113,322 which reflects a market value of \$340,000 or \$149.12 per square foot of living area, land included, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$121,401. The subject's assessment reflects a market value of \$364,677 or \$159.95 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales located within 0.23 of a mile from the subject property. Board of review comparables #1 and #2 are the same properties as the appellant's comparables #4 and #2, respectively. The comparables have sites that range in size from 7,520 to 11,310 square feet of land area and are improved with two-story dwellings of wood siding exterior construction that range in size from 2,165 to 2,280 square feet of living area. The homes were built from 1989 to 1992. Each comparable has a basement, two with finished area, central air conditioning and a garage with either 400 or 420 square feet of building area. Three comparables each have one fireplace. The properties sold from April 2019 to April 2020 for prices ranging from \$350,000 to \$395,000 or from \$153.51 to \$173.25 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be confirmed.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains eight comparable sales for the Board's consideration, as two properties were common to both parties. The Board gives less weight to the appellant's comparables #1, #3 and #4 along with board of review comparables #1 and #5 which have finished basements in contrast to the subject's unfinished basement and/or sold in 2018, less proximate in time to the January 1, 2020 assessment date than other comparables in the record.

The Board finds the best evidence of market value to be the remaining comparables, including one of the common properties, which are more similar to the subject in location, age, design, dwelling size and other features. These comparables sold from April 2019 to February 2020 for prices ranging from \$258,000 to \$395,000 or from \$134.38 to \$173.25 per square foot of living area, including land. The subject's assessment reflects a market value of \$364,677 or \$159.95 per square foot of living area, including land, which falls within the range established by the best comparable sales in this record. After considering appropriate adjustments to the comparables

for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
