

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Jennifer Schuster
DOCKET NO.: 20-00303.001-R-1
PARCEL NO.: 15-14-300-003

The parties of record before the Property Tax Appeal Board are Jennifer Schuster, the appellant, by attorney Gregory Riggs, of Tax Appeals Lake County in Lake Zurich; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$47,265
IMPR.: \$87,000
TOTAL: \$134,265

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling of brick exterior construction with 2,393 square feet of living area. The dwelling was constructed in 1966. Features of the home include a crawl space foundation, central air conditioning, two fireplaces, a 462 square foot garage and a 42 square foot greenhouse. The property has an approximately 39,700 square foot site and is located in Lincolnshire, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales located from 0.54 of a mile to 1.08 miles from the subject property. Three of the comparables have sites that range in size from 20,038 to 23,552 square feet of land area and are improved with one-story dwellings of frame exterior construction that range in size from 2,215 to 2,620 square feet of living area. The dwellings were built from 1957 to 1977. Each comparable has central air conditioning, one or

two fireplaces and a garage ranging in size from 484 to 638 square feet of building area. The properties sold from July 2019 to August 2020 for prices ranging from \$345,000 to \$417,750 or from \$131.68 to \$175.44 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's assessment be reduced to \$129,320 which reflects a market value of \$387,999 or \$162.14 per square foot of living area, land included, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$153,947. The subject's assessment reflects a market value of \$462,442 or \$193.25 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales located from 0.36 of a mile to 1.48 miles from the subject property. The comparables have sites that range in size from 20,470 to 69,260 square feet of land area and are improved with one-story dwellings of wood siding or brick and wood siding exterior construction that range in size from 2,318 to 2,714 square feet of living area. The homes were built from 1968 to 1978. Each comparable has a basement, one with finished area, central air conditioning, one or two fireplaces and a garage ranging in size from 528 to 650 square feet of building area. The properties sold from June 2019 to June 2020 for prices ranging from \$447,500 to \$527,000 or from \$184.23 to \$201.47 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The parties submitted eight comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparable #2 which is located more distant from the subject and other comparables in the record. The Board gives less weight to each of the board of review's comparables which have basement foundations in contrast to the subject's crawl space foundation.

The Board finds the best evidence of market value to be the remaining appellant's comparables which are more similar to the subject in location, age, design, dwelling size, foundation type and other features. These comparables sold in November 2019 and August 2020 for prices ranging from \$345,000 to \$417,750 or from \$131.68 to \$175.44 per square foot of living area, including land. The subject's assessment reflects a market value of \$462,442 or \$193.25 per square foot of living area, including land, which falls above the range established by the best comparable sales in this record. After considering appropriate adjustments to the comparables for differences from the subject, the Board finds a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
