

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Todd Spangler
DOCKET NO.: 20-00349.001-R-1
PARCEL NO.: 07-17-402-007

The parties of record before the Property Tax Appeal Board are Todd Spangler, the appellant, by attorney Gregory Riggs, of Tax Appeals Lake County in Lake Zurich; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$12,950
IMPR.: \$72,050
TOTAL: \$85,000

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of wood siding exterior construction with 1,908 square feet of living area. The dwelling was constructed in 1992. Features of the home include one full bathroom and one-half bathroom, an unfinished basement, central air conditioning and a 380 square foot garage. The property has an approximately 10,000 square foot site and is located in Gurnee, Warren Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located within 0.19 of a mile from the subject property. The comparables have sites that range in size from 12,120 to 17,860 square feet of land area and are improved with two-story dwellings of wood siding exterior construction that range in size from 1,872 to 2,125 square feet of living area. The dwellings were built in 1992 or 1994. Each comparable has two full and one-half bathrooms, a basement, one with

finished area, central air conditioning and a garage with 380 or 420 square feet of building area. Two comparables each have one fireplace. The properties sold from January 2019 to May 2020 for prices ranging from \$200,000 to \$273,000 or from \$100.25 to \$141.56 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's assessment be reduced to \$79,992 which reflects a market value of \$240,000 or \$125.79 per square foot of living area, land included, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$89,130. The subject's assessment reflects a market value of \$267,738 or \$140.32 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales located within 0.35 of a mile from the subject property. The comparables have sites that range in size from 9,580 to 15,980 square feet of land area and are improved with two-story dwellings of wood siding exterior construction that range in size from 1,872 to 2,006 square feet of living area. The homes were built in 1993 or 1994. Each comparable has two full and one-half bathrooms, a basement, two with finished area, central air conditioning, one fireplace and a garage ranging in size from 380 to 440 square feet of building area. The properties sold from September 2019 to October 2020 for prices ranging from \$263,000 to \$315,000 or from \$140.49 to \$165.44 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The parties submitted seven comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparable #2 along with board of review comparables #1 and #3 which have finished basements in contrast to the subject's unfinished basement.

The Board finds the best evidence of market value to be the remaining comparables which are more similar to the subject in location, age, design, dwelling size and other features. Although each of these properties has an additional full bathroom and a larger site size when compared to the subject. These comparables sold from July 2019 to October 2020 for prices ranging from \$200,000 to \$289,900 or from \$100.25 to \$144.52 per square foot of living area, including land. The subject's assessment reflects a market value of \$267,738 or \$140.32 per square foot of living area, including land, which falls within the range established by the best comparable sales in this record. However, after considering appropriate adjustments to the comparables for differences from the subject, the Board finds a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
