

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Gauray Jalota
DOCKET NO.: 20-00356.001-R-1
PARCEL NO.: 11-11-403-007

The parties of record before the Property Tax Appeal Board are Gauray Jalota, the appellant, by attorney Gregory Riggs, of Tax Appeals Lake County in Lake Zurich; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$70,701
IMPR.: \$136,524
TOTAL: \$207,225

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of wood siding exterior construction with 3,204 square feet of living area. The dwelling was constructed in 2006. Features of the home include an unfinished walk-out basement, central air conditioning, a fireplace and a 723 square foot garage. The property has an approximately 57,780 square foot site and is located in Green Oaks, Libertyville Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales located within 0.50 of a mile from the subject property. The comparables have sites that range in size from 38,984 to 42,066 square feet of land area and are improved with two-story dwellings of frame or brick and frame exterior construction that range in size from 2,904 to 3,261 square feet of living area. The dwellings were built from 1981 to 1988. Each comparable has an unfinished basement, central air

conditioning, one or two fireplaces and a garage ranging in size from 543 to 1,481 square feet of building area. The properties sold from December 2019 to July 2020 for prices ranging from \$400,000 to \$512,000 or from \$130.08 to \$171.24 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's assessment be reduced to \$181,648 which reflects a market value of \$545,002 or \$170.10 per square foot of living area, land included, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$207,225. The subject's assessment reflects a market value of \$622,484 or \$194.28 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales located within 0.76 of a mile from the subject property. The comparables have sites that range in size from 23,320 to 52,620 square feet of land area and are reportedly improved with one-story or two-story dwellings of brick or wood siding exterior construction that range in size from 1,521 to 3,268 square feet of living area. The homes were built from 1965 to 2000. Three comparables have an unfinished basement and two comparables have a lower level with finished area. Each comparable has central air conditioning and a garage ranging in size from 520 to 974 square feet of building area. Four comparables have either one or two fireplaces. Comparable #4 has an inground swimming pool. The properties sold from July 2018 to September 2020 for prices ranging from \$330,000 to \$640,000 or from \$195.84 to \$250.98 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted nine comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparables which range from 18 to 25 years older in age when compared to the subject. The Board gives less weight to the board of review's comparables #1, #3 and #5 which differ from the subject in design, dwelling size, age and/or sold in 2018 less proximate to the January 1, 2020 assessment date than other comparables in the record.

The Board finds the best evidence of market value to be the board of review's comparables #2 and #4 which are more similar to the subject in location, age, design, and dwelling size. However, both of these properties have smaller site sizes, relative to the subject, and comparable #4 has an inground swimming pool, a feature which the subject lacks. These comparables sold in February and April 2019 for prices of \$605,000 and \$625,000 or for \$209.05 and \$211.72 per square foot of living area, including land, respectively. The subject's assessment reflects a

market value of \$622,484 or \$194.28 per square foot of living area, including land, which is bracketed by the two best comparable sales in this record on an overall basis and falls below the two best comparables on a per square foot basis. After considering appropriate adjustments to the best comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
