

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Deyu Zhou
DOCKET NO.: 20-00408.001-R-1
PARCEL NO.: 15-28-206-043

The parties of record before the Property Tax Appeal Board are Deyu Zhou, the appellant and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$42,185
IMPR.: \$117,920
TOTAL: \$160,105

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of wood siding exterior construction with 2,279 square feet of living area. The dwelling was constructed in 1988 and is 32 years old. Features of the home include a basement that is finished with a recreation room, central air conditioning, one fireplace and a 440 square foot garage. The property has a 13,938 square foot site and is located in Buffalo Grove, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales located within .46 miles from the subject. The comparables have sites ranging in size from 8,756 to 15,611 square feet of land area and are improved with two-story dwellings of wood siding or brick and siding exterior construction that are 32 or 33 years old. The dwellings range in size from 2,200 to 2,375 square feet of living area. Each comparable has a basement, three of which have finished area, central air conditioning, one fireplace and a garage with 440 square feet of building area. The

comparables sold from January 2019 to May 2020 for prices ranging from \$450,000 to \$480,000 or from \$193.68 to \$210.62 per square foot of living area, including land. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$160,105. The subject's assessment reflects a market value of \$480,940 or \$211.03 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on five comparable sales located within .50 miles from the subject. Board of review comparable #5 is a duplicate sale of appellant's comparable #3. The comparables have sites ranging in size from 8,760 to 13,280 square feet of land area and are improved with two-story dwellings of wood siding exterior construction that were built from 1987 to 1989. The dwellings each have either 2,279 or 2,490 square feet of living area and a basement with three having a recreation room. Other features of each comparable include central air conditioning and a garage with 400 or 440 square feet of building area. Three comparables each have a fireplace. The comparables sold from January 2019 to June 2020 for prices ranging from \$480,000 to \$535,400 from \$210.62 to \$228.17 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains eight suggested comparable sales for the Board's consideration as one sale was common to both parties. These comparables are similar to the subject in location, age, dwelling size, and most features. These comparables sold from January 2019 to June 2020 for prices ranging from \$450,000 to \$535,400 or for \$193.68 to \$229.02 per square foot of living area, including land. The subject's assessment reflects a market value of \$480,940 or \$211.03 per square foot of living area, including land, which is within the range established by the comparable sales in the record. Based on this evidence and after considering adjustments to the comparable sales for differences when compared to the subject, the Board finds the appellant failed to prove by a preponderance of the evidence that a reduction in the subject's assessment is justified based on overvaluation.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
