

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Gary Marconi
DOCKET NO.: 20-00416.001-R-1
PARCEL NO.: 09-24-406-003

The parties of record before the Property Tax Appeal Board are Gary Marconi, the appellant, by attorney Gregory Riggs, of Tax Appeals Lake County in Lake Zurich; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$8,779
IMPR.: \$59,575
TOTAL: \$68,354

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of vinyl siding exterior construction with 1,848 square feet of living area. The dwelling was constructed in 2004. Features of the home include a crawl space foundation, central air conditioning and a 616 square foot garage. The property has an approximately 4,000 square foot site and is located in Wauconda, Wauconda Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located within 0.22 of a mile from the subject property. The comparables have sites that range in size from 5,720 to 7,490 square feet of land area and are improved with two-story dwellings of wood or vinyl siding exterior construction that range in size from 1,969 to 2,150 square feet of living area. The dwellings were built from 1948 to 2003 with the oldest property having an effective year built of 1988.

Two comparables have a basement with finished area and one comparable has a crawl space foundation. Two comparables have central air conditioning, two comparables each have one fireplace and each comparable has a garage ranging in size from 374 to 545 square feet of building area. The properties sold from November 2018 to July 2020 for prices ranging from \$172,000 to \$248,000 or from \$80.00 to \$121.99 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's assessment be reduced to \$50,661 which reflects a market value of \$151,998 or \$82.25 per square foot of living area, land included, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$68,354. The subject's assessment reflects a market value of \$205,329 or \$111.11 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales located within 0.87 of a mile from the subject property. The comparables have sites that range in size from 5,400 to 11,520 square feet of land area and are improved with two-story dwellings that have a combination of brick, vinyl, wood, and stone exterior construction that range in size from 1,832 to 2,074 square feet of living area. The homes were built from 1994 to 2010. Each comparable has a basement, two with finished area, central air conditioning and a garage ranging in size from 400 to 520 square feet of building area. Three comparables each have one fireplace. The properties sold in August and October 2020 for prices ranging from \$295,000 to \$319,000 or from \$142.24 to \$171.94 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted seven comparable sales for the Board's consideration. The Board gives less weight to each of the appellant's comparables and board of review comparables #1 and #4 which differ from the subject in age/effective age, finished basement, and/or sold in 2018, less proximate to the January 1, 2020 assessment date than other comparables in the record.

The Board finds the best evidence of market value to be board of review comparables #2 and #3 which are similar to the subject in location, age, design and dwelling size, although both of these properties have a basement in contrast to the subject's crawl space foundation. These two comparables sold in August and October 2020 for prices of \$305,000 and \$319,000 or for \$157.70 and \$163.42 per square foot of living area, including land, respectively. The subject's assessment reflects a market value of \$205,329 or \$111.11 per square foot of living area,

including land, which falls below the two best comparable sales in this record. Given the subject's crawl space foundation a value below the two best comparables appears logical. After considering appropriate adjustments to the comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
