

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Linda Warzala  
DOCKET NO.: 20-00431.001-R-1  
PARCEL NO.: 07-18-406-008

The parties of record before the Property Tax Appeal Board are Linda Warzala, the appellant, by attorney Gregory Riggs, of Tax Appeals Lake County in Lake Zurich; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$19,655  
**IMPR.:** \$104,039  
**TOTAL:** \$123,694

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of wood siding exterior construction with 3,143 square feet of living area. The dwelling was constructed in 1995. Features of the home include an unfinished basement, central air conditioning, a fireplace and a 609 square foot garage. The property has an approximately 8,710 square foot site and is located in Gurnee, Warren Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on five comparable sales located within 0.48 of a mile from the subject property. The comparables have sites that range in size from 8,270 to 10,020 square feet of land area and are improved with two-story dwellings of wood siding or brick and wood siding exterior construction that range in size from 3,002 to 3,269 square feet of living area. The dwellings were built from 1995 to 1998. Each comparable has a basement, two with finished

area,<sup>1</sup> central air conditioning, one fireplace and a garage ranging in size from 609 to 775 square feet of building area. The properties sold from February 2019 to August 2020 for prices ranging from \$340,000 to \$385,000 or from \$109.78 to \$122.69 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's assessment be reduced to \$114,988 which reflects a market value of \$344,998 or \$109.77 per square foot of living area, land included, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$123,694. The subject's assessment reflects a market value of \$371,565 or \$118.22 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales located within 0.51 of a mile from the subject property. Board of review comparables #4 and #5 are the same properties as the appellant's comparables #2 and #4, respectively. The comparables have sites that range in size from 8,710 to 10,020 square feet of land area and are improved with two-story dwellings of wood siding exterior construction that range in size from 3,002 to 3,143 square feet of living area. The homes were built from 1994 to 1998. Each comparable has a basement, two with finished area, central air conditioning, one fireplace and a garage with either 609 or 775 square feet of building area. The properties sold from March 2019 to November 2020 for prices ranging from \$354,900 to \$417,500 or from \$118.22 to \$132.83 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be confirmed.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains eight comparable sales for the Board's consideration, as two properties were common to both parties. The Board gives less weight to the appellant's comparable #2 and #5 along with board of review comparables #1 and #4, which includes one of the common properties, as these comparables have finished basements in contrast to the subject's unfinished basement.

The Board finds the best evidence of market value to be the remaining comparables which are more similar to the subject in location, age, design, dwelling size and other features. These comparables, which include one of the common properties, sold from February 2019 to November 2020 for prices ranging from \$340,000 to \$408,000 or from \$109.78 to \$129.81 per

square foot of living area, including land. The subject's assessment reflects a market value of \$371,565 or \$118.22 per square foot of living area, including land, which falls within the range established by the best comparable sales in this record. After considering appropriate adjustments to the comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
