

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Aaron Citron
DOCKET NO.: 20-00439.001-R-1
PARCEL NO.: 06-34-404-110

The parties of record before the Property Tax Appeal Board are Aaron Citron, the appellant, by attorney Gregory Riggs, of Tax Appeals Lake County in Lake Zurich; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$9,442
IMPR.: \$54,441
TOTAL: \$63,883

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story townhome of vinyl siding exterior construction with 1,656 square feet of living area. The dwelling was constructed in 2007. Features of the home include a basement with finished area, central air conditioning and a 462 square foot garage. The property has an approximately 1,280 square foot site and is located in Grayslake, Avon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales located within 0.31 of a mile from the subject property. The comparables have sites that range in size from 1,270 to 1,490 square feet of land area and are improved with two-story townhomes of vinyl siding exterior construction that range in size from 1,638 to 1,696 square feet of living area. The dwellings were built from 2004 to 2006. Each comparable has a basement with finished area, central air conditioning and a

garage with either 462 or 528 square feet of building area. The properties sold from March to August 2019 for prices ranging from \$175,258 to \$180,000 or from \$104.66 to \$108.36 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's assessment be reduced to \$59,994 which reflects a market value of \$180,000 or \$108.70 per square foot of living area, land included, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$63,883. The subject's assessment reflects a market value of \$191,898 or \$115.88 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales located within 0.30 of a mile from the subject property. The comparables have sites that range in size from 1,270 to 1,620 square feet of land area and are improved with two-story townhomes of vinyl siding exterior construction that range in size from 1,649 to 1,683 square feet of living area. The homes were built from 2004 to 2007. Each comparable has a basement with finished area, central air conditioning and a garage with either 462 or 528 square feet of building area. One comparable has a fireplace. The properties sold from September 2019 to September 2020 for prices ranging from \$195,000 to \$207,500 or from \$116.07 to \$123.51 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted nine comparable sales for the Board's consideration, all of which are generally similar to the subject in location, age, design, dwelling size and other features. These comparables sold from March 2019 to September 2020 for prices ranging from \$175,258 to \$207,500 or from \$104.66 to \$123.51 per square foot of living area, including land. The subject's assessment reflects a market value of \$191,898 or \$115.88 per square foot of living area, including land, which falls within the range established by the comparable sales in this record. After considering appropriate adjustments to the comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
