

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: John White  
DOCKET NO.: 20-00449.001-R-1  
PARCEL NO.: 06-27-410-062

The parties of record before the Property Tax Appeal Board are John White, the appellant, by attorney Gregory Riggs, of Tax Appeals Lake County in Lake Zurich; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$7,826  
**IMPR.:** \$57,162  
**TOTAL:** \$64,988

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a one-story dwelling of brick exterior construction with 1,196 square feet of living area. The dwelling was constructed in 1960. Features of the home include a basement with finished area, central air conditioning, a fireplace and a 264 square foot garage. The property has an approximately 10,020 square foot site and is located in Grayslake, Avon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located within 0.66 of a mile from the subject property. The comparables have sites that range in size from 5,230 to 14,810 square feet of land area and are improved with one-story dwellings of brick or vinyl siding exterior construction that range in size from 1,164 to 1,324 square feet of living area. The dwellings were built from 1951 to 1956. Each comparable has a basement with two having finished area.

One comparable has central air conditioning and a fireplace and two comparables have a garage with either 308 or 576 square feet of building area. The properties sold in April 2019 or March 2020 for prices ranging from \$138,500 to \$178,000 or from \$112.06 to \$152.92 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's assessment be reduced to \$58,328 which reflects a market value of \$175,002 or \$146.32 per square foot of living area, land included, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$64,988. The subject's assessment reflects a market value of \$195,218 or \$163.23 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on three comparable sales located within 0.64 of a mile from the subject property. The comparables have sites that range in size from 6,250 to 11,330 square feet of land area and are improved with one-story dwellings of brick and vinyl siding exterior construction that range in size from 1,040 to 1,232 square feet of living area. The homes were built in 1956 or 1963. Two comparables have a basement with one having finished area and one comparable has a crawl space foundation. Each comparable has a garage ranging in size from 250 to 484 square feet of building area. Two comparables have central air conditioning and one comparable has a fireplace. The properties sold from January 2019 to November 2020 for prices ranging from \$195,000 to \$203,500 or from \$165.18 to \$188.46 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be confirmed.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted six comparable sales for the Board's consideration. The Board gives less weight to the board of review comparable #1 which has a crawl space foundation in contrast to the subject's basement foundation.

The Board finds the best evidence of market value to be the remaining comparables which are more similar to the subject in location, age, design, and dwelling size but have varying degrees of similarity to the subject in other features. These comparables sold from January 2019 to March 2020 for prices ranging from \$138,500 to \$203,500 or from \$112.06 to \$188.46 per square foot of living area, including land. The subject's assessment reflects a market value of \$195,218 or \$163.23 per square foot of living area, including land, which falls within the range established by the best comparable sales in this record. After considering appropriate

adjustments to the comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
