

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Bill Ziobro  
DOCKET NO.: 20-00450.001-R-1  
PARCEL NO.: 06-28-417-011

The parties of record before the Property Tax Appeal Board are Bill Ziobro, the appellant, by attorney Gregory Riggs, of Tax Appeals Lake County in Lake Zurich; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$2,740  
**IMPR.:** \$38,446  
**TOTAL:** \$41,186

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story condominium unit of vinyl exterior construction with 1,280 square feet of living area. The dwelling was constructed in 1999. Features of the home include a basement with finished area, central air conditioning, a fireplace and a 400 square foot garage. The property is located in Hainesville, Avon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on five comparable sales located within 0.62 of a mile from the subject property. The comparables are improved with two-story condominium units of vinyl siding exterior construction with either 1,280 or 1,472 square feet of living area. The dwellings were built from 1999 to 2003. Each comparable has a basement with finished area, central air conditioning and a 400 square foot garage. Two comparables each have one fireplace. The properties sold from April to September 2019 for prices ranging from \$110,000 to \$132,000 or

from \$80.25 to \$93.75 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's assessment be reduced to \$37,330 which reflects a market value of \$112,001 or \$87.50 per square foot of living area, land included, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$41,186. The subject's assessment reflects a market value of \$123,719 or \$96.66 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales located within 0.10 of a mile from the subject property. The comparables are improved with two-story condominium units of vinyl siding exterior construction with either 1,280 or 1,472 square feet of living area. The homes were built in either 1999 or 2001. Each comparable has a basement with finished area, central air conditioning and a 400 square foot garage. One comparable has a fireplace. The properties sold from August 2019 to November 2020 for prices ranging from \$142,000 to \$155,000 or from \$97.49 to \$110.94 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be confirmed.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted ten comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparables #1, #2 and #4 along with board of review comparables #2 through #5 which differ from the subject in dwelling size.

The Board finds the best evidence of market value to be the remaining comparables which are more similar to the subject in location, age, design, dwelling size and other features. These comparables sold from April 2019 to August 2020 for prices ranging from \$110,000 to \$142,000 or from \$85.94 to \$110.94 per square foot of living area, including land. The subject's assessment reflects a market value of \$123,719 or \$96.66 per square foot of living area, including land, which falls within the range established by the best comparable sales in this record. After considering appropriate adjustments to the comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
