

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: John Brennan  
DOCKET NO.: 20-00453.001-R-1  
PARCEL NO.: 06-27-101-007

The parties of record before the Property Tax Appeal Board are John Brennan, the appellant, by attorney Gregory Riggs, of Tax Appeals Lake County in Lake Zurich; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$18,042  
**IMPR.:** \$90,021  
**TOTAL:** \$108,063

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of vinyl siding exterior construction with 2,499 square feet of living area. The dwelling was constructed in 1988. Features of the home include a basement with finished area, central air conditioning, one fireplace and an 831 square foot garage. The property has an approximately 11,330 square foot site and is located in Grayslake, Avon Township, Lake County.

The appellant contends assessment inequity, with respect to the improvement assessment, as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables located in the same assessment neighborhood code as the subject. The comparables are improved with two-story dwellings of vinyl siding exterior construction that range in size from 2,545 to 2,668 square feet of living area. The homes were built from 1988 to 1994. Each comparable has a basement, three with finished area, central air conditioning, one

fireplace and a garage ranging in size from 546 to 648 square feet of building area. The comparables have improvement assessments that range from \$86,259 to \$94,624 or from \$33.23 to \$36.40 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$78,615 or \$31.46 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$108,063. The subject has an improvement assessment of \$90,021 or \$36.02 per square foot of living area.

In support of its contention of the correct assessment, the board of review submitted information on five equity comparables located in the same assessment neighborhood code as the subject property. Board of review comparables #2 and #5 are the same properties as the appellant's comparables #2 and #3, respectively. The comparables are improved with two-story dwellings of vinyl siding exterior construction that range in size from 2,454 to 2,563 square feet of living area. The homes were built from 1988 to 1994. Each comparable has a basement, four with finished area, central air conditioning, one or two fireplaces and a garage ranging in size from 546 to 746 square feet of building area. The comparables have improvement assessments that range from \$88,999 to \$95,316 or from \$34.72 to \$37.26 per square foot of living area. Based on this evidence, the board of review requested the subject's assessment be confirmed.

### **Conclusion of Law**

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments, for the assessment year in question, of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains seven equity comparables for the Board's consideration, as two comparables are common to both parties. The Board gives less weight to the appellant's comparable #1 and board of review comparable #3 which have unfinished basements in contrast to the subject's finished basement.

The Board finds the best evidence of assessment equity to be the remaining comparables, including the two common properties, which are more similar to the subject in location, age, design, dwelling size and other features. These comparables have improvement assessments that range from \$90,079 to \$95,316 or from \$35.33 to \$37.26 per square foot of living area. The subject's improvement assessment of \$90,021 or \$36.02 per square foot of living area falls below the range established by the best comparables in this record on an overall basis and within the range on a per square foot basis. After considering appropriate adjustments to the comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
