

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: John Li
DOCKET NO.: 20-00455.001-R-1
PARCEL NO.: 06-26-205-028

The parties of record before the Property Tax Appeal Board are John Li, the appellant, by attorney Gregory Riggs, of Tax Appeals Lake County in Lake Zurich; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$5,937
IMPR.: \$32,519
TOTAL: \$38,456

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story townhome of vinyl siding exterior construction with 1,395 square feet of living area. The dwelling was constructed in 1973. Features of the home include a concrete slab foundation, central air conditioning and a 299 square foot garage. The property has an approximately 2,030 square foot site and is located in Grayslake, Avon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales located within 0.09 of a mile from the subject property. The comparables have sites that range in size from 1,540 to 2,030 square feet of land area and are improved with two-story townhomes of vinyl siding exterior construction with either 1,260 or 1,395 square feet of living area each built in 1973. Two comparables have a basement with finished area and two comparables have a concrete slab foundation. Each

comparable has central air conditioning and three of the properties each have a 299 square foot garage. The properties sold from July 2018 to August 2019 for prices ranging from \$80,000 to \$88,500 or from \$57.35 to \$70.24 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's assessment be reduced to \$26,664 which reflects a market value of \$80,000 or \$57.35 per square foot of living area, land included, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$38,456. The subject's assessment reflects a market value of \$115,518 or \$82.81 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales located within 0.11 of a mile from the subject property. Board of review comparable #2 is the same property as the appellant's comparable #1, with a different sale date and sale price than the sale submitted by the appellant. The comparables have sites that range in size from 1,540 to 2,030 square feet of land area and are improved with two-story townhomes of vinyl siding exterior construction with either 1,260 or 1,395 square feet of living area each built in 1973. Each comparable has a basement, three with finished area and central air conditioning. Two comparables have a 299 square foot garage. The properties sold from March 2019 to September 2020 for prices ranging from \$119,000 to \$145,000 or from \$94.44 to \$103.94 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains seven comparable properties for the Board's consideration, as one property was common to both parties and sold in both 2018 and 2020. The Board gives less weight to the appellant's comparables #1 and #3 along with board of review comparables #1, #2 and #4 which have basements with finished area in contrast to the subject's slab foundation.

The Board finds the best evidence of market value to be the appellant's comparables #2 and #4 along with board of review comparable #3 which are similar to the subject in location, age, design and dwelling size. Although, these comparables have varying degrees of similarity to the subject in foundation type and garage amenity and one of these three best comparables sold less proximate in time to the January 1, 2020 lien date. These comparables sold from December 2018 and July 2020 for prices ranging from \$87,400 to \$126,250 or from \$69.37 to \$100.20 per square foot of living area, including land. The subject's assessment reflects a market value of \$115,518 or \$82.81 per square foot of living area, including land, which falls within the range

established by the best comparable sales in this record. After considering appropriate adjustments to the comparables for differences from the subject the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
