

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Ron Skiba
DOCKET NO.: 20-00465.001-R-1
PARCEL NO.: 06-23-107-034

The parties of record before the Property Tax Appeal Board are Ronald Skiba, the appellant, by attorney Gregory Riggs, of Tax Appeals Lake County in Lake Zurich; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$12,342
IMPR.: \$62,667
TOTAL: \$75,009

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of vinyl siding exterior construction with 1,660 square feet of living area. The dwelling was constructed in 1994. Features of the home include an unfinished basement, central air conditioning and a 400 square foot garage. The property has an approximately 6,890 square foot site and is located in Grayslake, Avon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on five comparable sales located within 0.56 of a mile from the subject property. The comparables have sites with either 6,600 or 7,200 square feet of land area and are improved with two-story dwellings of vinyl siding exterior construction that range in size from 1,660 to 1,982 square feet of living area. The dwellings were built from 1992 to 1994. Each comparable has a basement with finished area, central air conditioning, one fireplace and a

garage ranging in size from 400 to 420 square feet of building area. The properties sold from May to October 2019 for prices ranging from \$224,500 to \$250,000 or from \$122.34 to \$135.24 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's assessment be reduced to \$69,993 which reflects a market value of \$210,000 or \$126.51 per square foot of living area, land included, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$75,009. The subject's assessment reflects a market value of \$225,320 or \$135.73 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales located within 0.19 of a mile from the subject property. The comparables have sites that range in size from 6,600 to 9,820 square feet of land area and are improved with two-story dwellings of vinyl or wood siding exterior construction each with 1,660 square feet of living area and built in either 1994 or 1995. Each comparable has a basement, three with finished area, central air conditioning and a 400 square foot garage. Four of the comparables each have one fireplace. The properties sold from May 2019 to October 2020 for prices ranging from \$229,000 to \$245,000 or from \$137.95 to \$147.59 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted ten comparable sales for the Board's consideration. The Board gives less weight to each of the appellant's comparables and board of review comparables #1, #3 and #4 all of which have finished basement area in contrast to the subject's unfinished basement.

The Board finds the best evidence of market value to be board of review comparables #2 and #5 which are nearly identical to the subject in location, age, design, dwelling size and other features. These comparables sold in May 2019 and May 2020 for prices of \$229,000 and \$245,000 or for \$137.95 and \$147.59 per square foot of living area, including land. The subject's assessment reflects a market value of \$225,320 or \$135.73 per square foot of living area, including land, which falls below the two best comparable sales in this record. After considering appropriate adjustments to the comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
