

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Octavio Gonzalez  
DOCKET NO.: 20-00510.001-R-1  
PARCEL NO.: 02-30-111-004

The parties of record before the Property Tax Appeal Board are Octavio Gonzalez, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$14,053  
**IMPR.:** \$71,606  
**TOTAL:** \$85,659

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of wood frame construction with 2,474 square feet of living area. The dwelling was constructed in 2000. Features of the home include an unfinished basement, central air conditioning and an attached 525 square foot garage. The property has an 8,880 square foot site and is located in Antioch, Lake Villa Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted a grid analysis containing four comparable properties, however, the appellant's comparable #3 is the subject property. The three comparable sales that are located from .18 to .23 of a mile from the subject. The comparables have sites ranging in size from 7,714 to 11,304 square feet of land area that are improved with one-story or two-story dwellings containing from 2,184 to 2,550 square feet of living area. The dwellings were built from 1978 to

1991. The comparables have unfinished basements, central air conditioning and a garage ranging in size from 462 to 840 square feet of building area. Two comparables each have a fireplace. The comparables sold from February 2018 to February 2020 for prices ranging from \$170,000 to \$255,000 or from \$66.67 to \$101.07 per square foot of living area, including land. Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$85,659. The subject's assessment reflects a market value of \$257,312 or \$104.01 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales that are located from .02 of a mile to 1.32 miles from the subject. The comparables have sites ranging in size from 10,690 to 43,560 square feet of land area that are improved with one-story or two-story dwellings containing from 1,467 to 2,661 square feet of living area. The dwellings were built from 1992 to 2005. The comparables have basements, three of which have finished area, central air conditioning and one or three fireplaces. Four comparables have an attached garage ranging in size from 473 to 784 square feet of building area. The comparables sold from July 2018 to September 2020 for prices ranging from \$270,000 to \$354,500 or from \$102.97 to \$187.46 per square foot of living area, including land. The board of review disclosed the subject sold in July 2018 for \$247,000 or \$99.84 per square foot of living area, including land. Based on this evidence the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of eight comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparables due to their differences in style, age and/or their sale date occurring greater than 17 months prior to the January 1, 2020 assessment date at issue. The Board also gives less weight to the board of review's comparables #3, #4 and #5, due to their differences in location, site size, style, dwelling size or their sale date occurring greater than 17 months prior to the January 1, 2020 assessment date at issue. The Board finds the board of review's remaining comparables have varying degrees of similarity to the subject and sold proximate in time to the January 1, 2020 assessment date at issue. The best comparables sold in July 2019 and September 2020 for prices of \$270,000 and \$291,000 or \$105.47 and \$134.85 per square foot of living area, including land. The subject's assessment reflects a market value of \$257,312 or \$104.01 per square foot of living area, including land, which falls below the market values of the best comparables in the record. Based on this record the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
