

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Charles Boutell
DOCKET NO.: 20-00524.001-R-1
PARCEL NO.: 02-15-303-017

The parties of record before the Property Tax Appeal Board are Charles Boutell, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$16,754
IMPR.: \$128,776
TOTAL: \$145,530

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling with brick exterior construction containing 2,747 square feet of living area. The dwelling was constructed in 1998. Features of the home include an unfinished basement, central air conditioning, a fireplace and an attached 914 square foot garage. The property has a 45,560 square foot site and is located in Antioch, Antioch Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales that are located from 2.39 to 3.34 miles from the subject. The comparables have sites ranging in size from 19,166 to 76,230 square feet of land area that are improved with one-story dwellings containing from 2,231 to 3,009 square feet of living area. The dwellings were built from 1978 to 2004, with the home built in 1978 having a 1990 effective age. The comparables have basements, one of which has finished

area, central air conditioning, a fireplace and a garage ranging in size from 462 to 792 square feet of building area. The comparables sold from March 2019 to May 2020 for prices ranging from \$277,200 to \$367,500 or from \$99.64 to \$156.52 per square foot of living area, including land. Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$145,530. The subject's assessment reflects a market value of \$437,158 or \$159.14 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales that are located from 1.08 to 3.26 miles from the subject. The board of review's comparable #3 is the same property as the appellant's comparable #4. The comparables have sites ranging in size from 19,170 to 62,730 square feet of land area that are improved with one-story dwellings containing from 2,147 to 3,127 square feet of living area. The dwellings were built from 1992 to 2009, with the home built in 1992 having a 2000 effective age. The comparables have basements, two of which have a walkout and three of which have finished area. The comparables have central air conditioning and a garage ranging in size from 792 to 1,152 square feet of building area. Four comparables each have one or two fireplaces. The comparables sold from December 2017 to July 2020 for prices ranging from \$367,500 to \$450,000 or from \$143.91 to \$191.32 per square foot of living area, including land. Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of eight comparable sales for the Board's consideration, one of which was submitted by both parties. The Board gives less weight to the board of review's comparables #1, #2 and #5, due to their sale dates occurring greater than 19 months prior to the January 1, 2020 assessment date at issue. The Board finds the parties' remaining comparables, which includes the parties' common comparable, have varying degrees of similarity to the subject. However, three of the parties' best comparables have considerably smaller dwellings, when compared to the subject. Nevertheless, the best comparables sold from March 2019 to July 2020 for prices ranging from \$277,200 to \$368,000 or from \$99.64 to \$159.65 per square foot of living area, including land. The subject's assessment reflects a market value of \$437,158 or \$159.14 per square foot of living area, including land, which falls above the range established by the best comparables in the record on a total market value basis but within the range on a per square foot basis. After considering adjustments to the best comparables for differences when compared to the subject, the Board finds the subject's higher total estimated market value as reflected by its assessment is justified and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
