

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Cynthia Noonan  
DOCKET NO.: 20-00531.001-R-1  
PARCEL NO.: 02-18-106-009

The parties of record before the Property Tax Appeal Board are Cynthia Noonan, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$13,788  
**IMPR.:** \$98,929  
**TOTAL:** \$112,717

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of wood frame construction with 2,436 square feet of living area. The dwelling was constructed in 2003. Features of the home include a partially finished basement, central air conditioning, a fireplace and an attached 480 square foot garage. The property has a 14,370 square foot site and is located in Antioch, Antioch Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted a grid analysis containing four comparable sales that are located from .03 to .14 of a mile from the subject. The comparables have sites with 13,504 or 14,375 square feet of land area that are improved with two-story dwellings containing from 2,180 to 2,348 square feet of living area. The dwellings were built from 2002 to 2005. The comparables have basements, one of which has finished area, central air conditioning, a fireplace and a garage ranging in size

from 575 to 916 square feet of building area. The comparables sold in July 2019 or June 2020 for prices ranging from \$269,000 to \$341,700 or from \$121.83 to \$145.53 per square foot of living area, including land. Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$112,717. The subject's assessment reflects a market value of \$338,591 or \$138.99 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales that are located from .02 to .33 of a mile from the subject. The board of review's comparable #3 is the same property as the appellant's comparable #4. The comparables have sites ranging in size from 13,070 to 16,550 square feet of land area that are improved with two-story dwellings containing from 2,150 to 2,652 square feet of living area. The dwellings were built from 2002 to 2004. The comparables have basements, two of which have a walkout and two of which have finished area. The comparables have central air conditioning, one or two fireplaces and an attached garage ranging in size from 714 to 769 square feet of building area. One comparable has a swimming pool. The comparables sold from October 2019 to July 2020 for prices ranging from \$294,000 to \$365,000 or from \$136.74 to \$145.53 per square foot of living area, including land. Based on this evidence the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of seven comparable sales for the Board's consideration, one of which was submitted by both parties. The Board gives less weight to the board of review's comparable #1 due to its swimming pool feature, which the subject lacks. The Board finds the parties' remaining comparables, which includes the parties' common comparable, have varying degrees of similarity to the subject. However, four of the best comparables have unfinished basements, when compared to the subject's partially finished basement. Nevertheless, the best comparables sold from July 2019 to June 2020 for prices ranging from \$269,000 to \$345,000 or from \$121.83 to \$145.53 per square foot of living area, including land. The subject's assessment reflects a market value of \$338,591 or \$138.99 per square foot of living area, including land, which falls within the range established by the best comparables in the record. After considering adjustments to the best comparables for differences when compared to the subject, the Board finds the subject's estimated market value as reflected by its assessment is supported. Based on this record the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
