

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Dianne Lystlund
DOCKET NO.: 20-00536.001-R-1
PARCEL NO.: 02-19-200-018

The parties of record before the Property Tax Appeal Board are Dianne Lystlund, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$21,277
IMPR.: \$104,153
TOTAL: \$125,430

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of wood frame construction with 3,498 square feet of living area. The dwelling was constructed in 1978 but has a 1990 effective age. Features of the home include a crawl-space foundation, central air conditioning and an attached 1,260 square foot garage. The property has a 93,670 square foot site and is located in Antioch, Antioch Villa Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted a grid analysis containing four comparable sales that are located from .89 of a mile to 1.01 miles from the subject. The comparables have sites ranging in size from 12,118 to 17,054 square feet of land area that are improved with two-story dwellings containing from 2,804 to 3,088 square feet of living area. The dwellings were built in 1997 or 1998. The comparables have unfinished basements, central air conditioning, a fireplace and a garage

ranging in size from 440 to 680 square feet of building area. The comparables sold from April 2019 to June 2020 for prices ranging from \$289,000 to \$315,000 or from \$102.01 to \$107.24 per square foot of living area, including land.

Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$125,430. The subject's assessment reflects a market value of \$376,780 or \$107.71 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales that are located from .15 of a mile to 1.10 miles from the subject. The comparables have sites ranging in size from 22,650 to 48,900 square feet of land area that are improved with two-story dwellings containing from 2,620 to 3,724 square feet of living area. The dwellings were built from 1989 to 2006. The comparables have basements, one of which has a walkout, and four of which have finished area. The comparables have central air conditioning, one or two fireplaces and a garage ranging in size from 630 to 1,320 square feet of building area. The comparables sold from May 2019 to December 2020 for prices ranging from \$367,500 to \$529,000 or from \$105.57 to \$154.96 per square foot of living area, including land.

Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of nine comparable sales for the Board's consideration, none of which have a crawl-space foundation, like the subject. Nevertheless, the Board gives less weight to the appellant's comparables #2, #3 and #4, as well as the board of review's comparables #1 and #2, due to their considerably smaller dwelling size when compared to the subject. The Board finds the parties' remaining comparables have varying degrees of similarity to the subject; however, each of the best comparables has a significantly smaller site, when compared to the subject. Nevertheless, the best comparables sold from April 2019 to December 2020 for prices ranging from \$315,000 to \$529,000 or from \$102.01 to \$142.05 per square foot of living area, including land. The subject's assessment reflects a market value of \$376,780 or \$107.71 per square foot of living area, including land, which falls within the range established by the best comparables in the record. After considering adjustments to the best comparables for differences when compared to the subject, the Board finds the subject's estimated market value as reflected by its assessment is supported. Based on this record the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
