

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Susan Devanie
DOCKET NO.: 20-00538.001-R-1
PARCEL NO.: 10-23-405-026

The parties of record before the Property Tax Appeal Board are Susan Devanie, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$20,633
IMPR.: \$75,463
TOTAL: \$96,096

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling of wood frame construction with 1,946 square feet of living area. The dwelling was constructed in 1981. Features of the home include an unfinished basement, central air conditioning, a fireplace and an attached 462 square foot garage. The property has a 11,630 square foot site and is located in Mundelein, Fremont Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on seven comparable sales that are located from .08 to .28 of a mile from the subject. The comparables have sites ranging in size from 9,609 to 12,711 square feet of land area that are improved with one-story dwellings containing from 1,821 to 2,204 square feet of living area. The dwellings were built from 1970 to 1976. The comparables have basements, two of which have finished area, central air conditioning and a garage ranging in size

from 420 to 520 square feet of building area. Six comparables each have a fireplace. The comparables sold from March 2018 to March 2020 for prices ranging from \$201,000 to \$319,000 or from \$110.38 to \$166.39 per square foot of living area, including land. Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$96,096. The subject's assessment reflects a market value of \$288,663 or \$148.34 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on three comparable sales that are located from .08 to .87 of a mile from the subject. The board of review's comparables #1 and #2 are the same properties as the appellant's comparables #7 and #4, respectively. The comparables have sites ranging in size from 9,170 to 12,710 square feet of land area that are improved with one-story dwellings containing from 1,821 to 2,204 square feet of living area. The dwellings were built from 1970 to 2007. The comparables have basements, one of which has a walkout and two of which have finished area. The comparables have central air conditioning, a fireplace and a garage ranging in size from 440 to 484 square feet of building area. The comparables sold from June 2019 to October 2020 for prices ranging from \$303,000 to \$330,000 or from \$144.74 to \$172.68 per square foot of living area, including land. Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of eight comparable sales for the Board's consideration, two of which were submitted by both parties. The Board gives less weight to the appellant's comparables #1, #2, #3, #5 and #6, due to their sale dates occurring greater than 13 months prior to the January 1, 2020 assessment date at issue. The Board also gives less weight to the board of review's comparable #3, due to its newer age when compared to the subject. The Board finds the parties' common comparables, have varying degrees of similarity to the subject and also sold proximate in time to the January 1, 2020 assessment date at issue. The best comparables sold in June 2019 and March 2020 for prices of \$319,000 and \$303,000 or \$144.74 and \$166.39 per square foot of living area, including land, respectively. The subject's assessment reflects a market value of \$288,663 or \$148.34 per square foot of living area, including land, which is below the market values of the best comparable sales in the record on a total market value basis but between the market values on a per square foot basis. After considering adjustments to the best comparables for differences when compared to the subject, the Board finds the subject's estimated market value as reflected by its assessment is supported. Based on this evidence, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
