

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Yolanda Almengor-Rodriguez  
DOCKET NO.: 20-00544.001-R-1  
PARCEL NO.: 02-35-406-002

The parties of record before the Property Tax Appeal Board are Yolanda Almengor-Rodriguez, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$8,709  
**IMPR.:** \$60,032  
**TOTAL:** \$68,741

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a one-story, tri-level dwelling of frame and brick construction with 1,298 square feet of living area. The dwelling was constructed in 1975. Features of the home include a 650 square foot finished lower level, central air conditioning, a fireplace and an attached 550 square foot garage. The property has a 9,520 square foot site and is located in Lindenhurst, Lake Villa Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted a grid analysis containing nine comparable sales that are located from .14 of a mile to 1.01 miles from the subject. The comparables have sites ranging in size from 8,917 to 15,629 square feet of land area that are improved with one-story dwellings containing from 1,056 to 1,517 square feet of living area. The dwellings were built from 1964 to 1978, with a home built in 1965 having a 1976 effective age. Each of the comparables has central air conditioning,

seven comparables each have a fireplace and eight comparables have a garage ranging in size from 264 to 552 square feet of building area. The comparables sold from April 2019 to June 2020 for prices ranging from \$140,000 to \$214,000 or from \$92.29 to \$157.69 per square foot of living area, including land.

Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$68,741. The subject's assessment reflects a market value of \$206,491 or \$159.08 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on eight comparable sales that are located from .29 of a mile to 1.14 miles from the subject. The comparables have sites ranging in size from 8,830 to 10,360 square feet of land area that are improved with one-story dwellings containing from 1,140 to 1,391 square feet of living area. The dwellings were built from 1960 to 1984. The comparables have central air conditioning and a garage ranging in size from 400 to 920 square feet of building area. Four comparables each have a fireplace and one comparable has a swimming pool. The comparables sold from March 2019 to October 2020 for prices ranging from \$188,000 to \$230,000 or from \$157.85 to \$196.34 per square foot of living area, including land.

Based on this evidence the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of 17 comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparables #1 and #5, due to their differences in dwelling size when compared to the subject. The Board also gives less weight to the board of review's comparable #4 due to its swimming pool feature, which the subject lacks. The Board finds the parties' remaining comparables have varying degrees of similarity to the subject and also sold proximate in time to the January 1, 2020 assessment date at issue. The best comparables sold from March 2019 to October 2020 for prices ranging from \$178,500 to \$229,000 or from \$147.39 to \$196.34 per square foot of living area, including land. The subject's assessment reflects a market value of \$206,491 or \$159.08 per square foot of living area, including land, which falls within the range established by the best comparables in the record. After considering adjustments to the best comparables for differences when compared to the subject, the Board finds the subject's estimated market value as reflected by its assessment is supported. Based on this record the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
