

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Greg Koza
DOCKET NO.: 20-00545.001-R-1
PARCEL NO.: 10-25-101-117

The parties of record before the Property Tax Appeal Board are Greg Koza, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$15,781
IMPR.: \$52,158
TOTAL: \$67,939

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling with vinyl siding exterior containing 1,066 square feet of living area. The dwelling was constructed in 1961. Features of the home include a partially finished basement, central air conditioning and a detached 484 square foot garage. The property has a 12,330 square foot site and is located in Mundelein, Fremont Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted a grid analysis containing four comparable sales that are located from .18 to .54 of a mile from the subject. The comparables have sites ranging in size from 6,752 to 10,228 square feet of land area that are improved with one-story dwellings containing from 1,160 to 1,254 square feet of living area. The dwellings were built from 1955 to 1975, with one of the homes built in 1956 having a 1975 effective age. The comparables have basements, one of

which has finished area, and central air conditioning. Two comparables each have a garage with 572 or 624 square feet of building area. The comparables sold from February 2019 to June 2020 for prices ranging from \$169,000 to \$199,000 or from \$134.77 to \$164.74 per square foot of living area, including land.

Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$67,939. The subject's assessment reflects a market value of \$204,082 or \$191.45 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales that are located from .20 to .60 of a mile from the subject. The comparables have sites ranging in size from 6,750 to 14,830 square feet of land area that are improved with one-story dwellings containing from 936 to 1,120 square feet of living area. The dwellings were built in 1956. The comparables have basements, three of which have finished area. Three comparables have central air conditioning, one comparable has a fireplace and three comparables each have a garage ranging in size from 440 to 560 square feet of building area. The comparables sold from August 2019 to September 2020 for prices ranging from \$209,500 to \$230,000 or from \$199.07 to \$235.04 per square foot of living area, including land.

Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of eight comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparables #1, #2 and #4, as well as the board of review's comparable #1, due to their lack of central air conditioning and/or their lack of finished basement area, when compared to the subject. The Board finds the parties' remaining comparables have varying degrees of similarity to the subject; however, each of the best comparables has a considerably smaller site, when compared to the subject. Nevertheless, the best comparables sold from August 2019 to September 2020 for prices ranging from \$190,000 to \$220,000 or from \$163.79 to \$235.04 per square foot of living area, including land. The subject's assessment reflects a market value of \$204,082 or \$191.45 per square foot of living area, including land, which falls within the range established by the best comparables in the record. After considering adjustments to the best comparables for differences when compared to the subject, the Board finds the subject's estimated market value as reflected by its assessment is supported. Based on this record the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
