

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Rita Hegland
DOCKET NO.: 20-00547.001-R-1
PARCEL NO.: 02-36-101-088

The parties of record before the Property Tax Appeal Board are Rita Hegland, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$10,013
IMPR.: \$52,580
TOTAL: \$62,593

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story, tri-level dwelling of wood frame construction with 1,052 square feet of living area. The dwelling was constructed in 1986. Features of the home include a 528 square foot finished lower level, central air conditioning and an attached 396 square foot garage. The property has a 9,480 square foot site and is located in Lindenhurst, Lake Villa Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted a grid analysis containing four comparable sales that are located from .04 to .37 of a mile from the subject. The comparables have sites ranging in size from 8,742 to 9,457 square feet of land area that are improved with one-story dwellings containing from 1,144 to 1,248 square feet of living area. The dwellings were built from 1978 to 1986. The comparables have central air conditioning, a fireplace and a garage with 462 or 480 square feet of building

area. The comparables sold in July or November 2019 for prices ranging from \$193,000 to \$215,000 or from \$159.81 to \$179.17 per square foot of living area, including land.

Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$62,593. The subject's assessment reflects a market value of \$188,023 or \$178.73 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on three comparable sales that are located from .36 to .87 of a mile from the subject. The comparables have sites ranging in size from 9,000 to 15,680 square feet of land area that are improved with one-story dwellings containing from 1,144 to 1,152 square feet of living area. The dwellings were built from 1979 to 1996. The comparables have central air conditioning and a garage ranging in size from 480 to 576 square feet of building area. Two comparables each have a fireplace. The comparables sold from July to December 2020 for prices ranging from \$223,000 to \$244,000 or from \$194.93 to \$211.81 per square foot of living area, including land.

Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of seven comparable sales for the Board's consideration. The Board gives less weight to the board of review's comparable #2 due to its newer age, when compared to the subject. The Board finds the parties' remaining comparables have varying degrees of similarity to the subject and also sold proximate in time to the January 1, 2020 assessment date at issue. The best comparables sold from July 2019 to August 2020 for prices ranging from \$193,000 to \$225,000 or from \$159.81 to \$196.34 per square foot of living area, including land. The subject's assessment reflects a market value of \$188,023 or \$178.73 per square foot of living area, including land, which falls below the range established by the best comparables in the record on a total market value basis but within the range on a per square foot basis. After considering adjustments to the best comparables for differences when compared to the subject, the Board finds the subject's estimated market value as reflected by its assessment is supported. Based on this record the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
