

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Andy Hussain
DOCKET NO.: 20-00563.001-R-1
PARCEL NO.: 08-16-314-014

The parties of record before the Property Tax Appeal Board are Andy Hussain, the appellant, by attorney Gregory Riggs, of Tax Appeals Lake County in Lake Zurich; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds ***a reduction*** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$5,142
IMPR.: \$19,189
TOTAL: \$24,331

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling of frame construction with 966 square feet of living area. The dwelling was built in 1916. Features of the home include an unfinished basement, central air conditioning and a detached 440 square foot garage. The property has a 5,580 square foot site and is located in Waukegan, Waukegan Township, Lake County.

The appellant's appeal is based on overvaluation. In support of this argument the appellant submitted limited evidence disclosing the subject property was purchased on July 15, 2019 for a price of \$73,000. Based on this evidence, the appellant requested a reduction in the subject's assessment to reflect the purchase price.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$32,809. The subject's assessment reflects a market value of

\$98,555 or \$102.02 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales that are located within the same neighborhood code as the subject. The comparables sold from April 2019 to August 2020 for prices ranging from \$106,000 to \$130,500 or from \$108.65 to \$142.62 per square foot of living area, including land.

The board of review's sales grid acknowledged the subject was transferred by warranty deed on July 15, 2019 for \$73,000 or \$75.57 per square foot of living area, including land.

Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the purchase of the subject property in July 2019 for a price of \$73,000. The appellant provided limited evidence demonstrating the sale had the elements of an arm's length transaction. The appellant partially completed Section IV - Recent Sale Data of the appeal disclosing the property was sold by the owner and the property had been advertised on the open market. In further support of the transaction the appellant submitted a copy of the settlement statement and a copy of the PTAX-203 Illinois Real Estate Transfer Declaration, which revealed the property was advertised prior to its sale. The Board finds the purchase price is below the market value reflected by the assessment. The Board further finds the board of review did not present any evidence to challenge the arm's length nature of the transaction and instead, submitted comparable sales data. The Illinois Supreme Court has defined fair cash value as what the property would bring at a voluntary sale where the owner is ready, willing, and able to sell but not compelled to do so, and the buyer is ready, willing and able to buy but not forced to do so. Springfield Marine Bank v. Property Tax Appeal Board, 44 Ill.2d. 428, (1970). A contemporaneous sale of property between parties dealing at arm's-length is a relevant factor in determining the correctness of an assessment and may be practically conclusive on the issue of whether an assessment is reflective of market value. Rosewell v. 2626 Lakeview Limited Partnership, 120 Ill.App.3d 369 (1st Dist. 1983), People ex rel. Munson v. Morningside Heights, Inc, 45 Ill.2d 338 (1970), People ex rel. Korzen v. Belt Railway Co. of Chicago, 37 Ill.2d 158 (1967); and People ex rel. Rhodes v. Turk, 391 Ill. 424 (1945).

Based on this record, the Board finds a reduction in the subject's assessment commensurate with the appellant's request is appropriate.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
