

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Inna Taboada
DOCKET NO.: 20-00574.001-R-1
PARCEL NO.: 14-17-212-001

The parties of record before the Property Tax Appeal Board are Inna Taboada, the appellant, by attorney Gregory Riggs, of Tax Appeals Lake County in Lake Zurich; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$20,601
IMPR.: \$71,140
TOTAL: \$91,741

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a split-level dwelling of wood frame construction with 1,374 square feet of living area. The dwelling was constructed in 1991. Features of the home include a 575 square foot finished lower level, central air conditioning, a fireplace, an attached 600 square foot garage and a 1,200 square foot pole building. The property has a 30,510 square foot site and is located in Lake Zurich, Ela Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted a grid analysis containing three comparable sales that are located from .62 of a mile to 2.01 miles from the subject. The comparables have sites ranging in size from 28,174 to 51,805 square feet of land area that are improved with split-level dwellings containing from 1,304 to 1,782 square feet of living area. The dwellings were built from 1968 to 1985. The comparables have finished lower levels, central air conditioning, one or two fireplaces and an

attached garage ranging in size from 480 to 682 square feet of building area. The comparables sold from November 2018 to July 2020 for prices ranging from \$250,000 to \$330,000 or from \$185.19 to \$194.83 per square foot of living area, including land.

Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$91,741. The subject's assessment reflects a market value of \$275,581 or \$200.57 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on three comparable sales that are located from 1.06 to 1.89 miles from the subject. The comparables have sites ranging in size from 10,520 to 37,890 square feet of land area that are improved with split-level or 1-story dwellings containing from 1,392 to 1,442 square feet of living area. The dwellings were built from 1971 to 1977, with the home built in 1971 having a 1974 effective age. One of the comparables has a finished lower level and two comparable lack a finished lower level. The comparables have central air conditioning, a fireplace and an attached garage ranging in size from 440 to 576 square feet of building area. The comparables sold from July 2019 to April 2020 for prices ranging from \$285,000 to \$305,000 or from \$200.70 to \$211.51 per square foot of living area, including land.

Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of six comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparable #1 due to its considerably larger dwelling, when compared to the subject, and its sale date occurring greater than 13 months prior to the January 1, 2020 assessment date at issue. The Board also gives less weight to the board of review's comparables #1 and #3, due to their lack of a finished lower level when compared to the subject. The Board finds the parties' remaining comparables have varying degrees of similarity to the subject. The best comparables sold from April 2019 to July 2020 for prices ranging from \$250,000 to \$290,000 or from \$191.72 to \$208.33 per square foot of living area, including land. The subject's assessment reflects a market value of \$275,581 or \$200.57 per square foot of living area, including land, which falls within the range established by the best comparables in the record. After considering adjustments to the best comparables for differences when compared to the subject, the Board finds the subject's estimated market value as reflected by its assessment is supported and a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
