

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Jose Quinonez
DOCKET NO.: 20-00577.001-R-1
PARCEL NO.: 08-28-105-006

The parties of record before the Property Tax Appeal Board are Jose Quinonez, the appellant, by attorney Gregory Riggs, of Tax Appeals Lake County in Lake Zurich; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$4,607
IMPR.: \$26,062
TOTAL: \$30,669

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of wood siding exterior construction with 1,704 square feet of living area. The dwelling was constructed in 1910. Features of the home include a basement and a 484 square foot garage. The property has an approximately 6,250 square foot site and is located in Waukegan, Waukegan Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located within 0.26 of a mile from the subject. The parcels range in size from 4,760 to 52,420 square feet of land area and are improved with 2-story homes of wood siding or aluminum siding exterior construction ranging in size from 1,662 to 2,389 square feet of living area. The dwellings were built in 1901 or 1940. Each home has a basement and two homes each have a 288 or a 340 square foot garage. The comparables sold from February 2018 to April 2019 for prices ranging from \$43,900 to \$128,000

or from \$26.41 to \$53.58 per square foot of living area, including land. Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$30,669. The subject's assessment reflects a market value of \$92,127 or \$54.07 per square foot of living area, land included, when using the 2020 three year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue. In support of its contention of the correct assessment the board of review submitted information on three comparable sales located within 0.26 of a mile from the subject. Comparable #1 is the same property as the appellant's comparable #2. The parcels range in size from 2,940 to 6,700 square feet of land area and are improved with 2-story homes of wood siding or aluminum siding exterior construction ranging in size from 1,664 to 1,804 square feet of living area. The dwellings were built in 1901 or 1911. Two homes have a basement and one home has a concrete slab foundation. One comparable has a 440 square foot garage. The comparables sold from April 2019 to December 2020 for prices ranging from \$70,000 to \$147,000 or from \$38.80 to \$85.07 per square foot of living area, including land. Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of five comparable sales, with one common sale, for the Board's consideration. The Board gives less weight to the appellant's comparables #1 and #3, which sold less proximate in time to the assessment date than other comparables in this record. Moreover, the appellant's comparable #1 is a significantly larger home than the subject dwelling. The Board also gives less weight to the board of review's comparable #2, which has a concrete slab foundation compared to the subject's basement foundation.

The Board finds the best evidence of market value to be the appellant's comparable #2/board of review's comparable #1 and the board of review's comparable #3, which are similar to the subject in dwelling size, age, location, and some features, although these comparables each lack a garage, suggesting upward adjustments to these comparables would be needed to make them more equivalent to the subject. These two most similar comparables sold for prices of \$70,000 and \$115,000 or for \$38.80 and \$69.11 per square foot of living area, including land. The subject's assessment reflects a market value of \$92,127 or \$54.07 per square foot of living area, including land, which is bracketed by the best comparable sales in this record. Based on this evidence, and after considering appropriate adjustments to the best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
