

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Fisk Holdings  
DOCKET NO.: 20-00583.001-R-1  
PARCEL NO.: 08-28-224-006

The parties of record before the Property Tax Appeal Board are Fisk Holdings, the appellant, by attorney Gregory Riggs, of Tax Appeals Lake County in Lake Zurich; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$1,669  
**IMPR.:** \$17,486  
**TOTAL:** \$19,155

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 1.5-story dwelling with wood siding exterior construction containing 1,034 square feet of living area. The dwelling was constructed in 1920 but has a 1968 effective age. The home has an unfinished basement. The property has a 2,260 square foot site and is located in Waukegan, Waukegan Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted a grid analysis containing five comparable sales that are located from .26 to .56 of a mile from the subject. The comparables have sites ranging in size from 3,350 to 12,240 square feet of land area that are improved with 1.5-story dwellings containing from 1,140 to 1,687 square feet of living area. The dwellings were built from 1910 to 1960 and have unfinished basements. One comparable has an attached 176 square foot garage and one comparable has a detached 576 square foot garage. The comparables sold from November 2018

to November 2019 for prices ranging from \$37,500 to \$66,000 or from \$28.03 to \$48.25 per square foot of living area, including land.

Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$19,155. The subject's assessment reflects a market value of \$57,540 or \$55.65 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales that are located from .44 to .78 of a mile from the subject. The board of review's comparable #4 is the same property as the appellant's comparable #3. The comparables have sites ranging in size from 4,960 to 7,920 square feet of land area that are improved with 1.5-story dwellings containing from 971 to 1,170 square feet of living area. The dwellings were built from 1910 to 1925 and have unfinished basements. Two comparables each have a detached 576 square foot garage. The comparables sold from January 2019 to December 2020 for prices ranging from \$55,000 to \$164,000 or from \$48.25 to \$159.38 per square foot of living area, including land.

Based on this evidence the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of eight comparable sales for the Board's consideration, one of which was submitted by both parties. The Board gives less weight to the appellant's comparables #1, #4 and #5, due to their significantly larger dwelling size when compared to the subject or their sale date occurring greater than 13 months prior to the January 1, 2020 assessment date at issue. The Board finds the parties' remaining comparables, which includes the parties' common comparable, have varying degrees of similarity to the subject and also sold proximate in time to the January 1, 2020 assessment date at issue. The best comparables sold from January 2019 to December 2020 for prices ranging from \$37,500 to \$164,000 or from \$28.03 to \$159.38 per square foot of living area, including land. The subject's assessment reflects a market value of \$57,540 or \$55.65 per square foot of living area, including land, which falls within the range established by the best comparables in the record. After considering adjustments to the best comparables for differences when compared to the subject, the Board finds the subject's estimated market value as reflected by its assessment is supported. Based on this record the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
