

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Christopher Newell  
DOCKET NO.: 20-00591.001-R-1  
PARCEL NO.: 10-25-420-030

The parties of record before the Property Tax Appeal Board are Christopher Newell, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$24,036  
**IMPR.:** \$79,691  
**TOTAL:** \$103,727

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of vinyl siding exterior construction with 2,226 square feet of living area.<sup>1</sup> The dwelling was constructed in 1990. Features of the home include a full basement with finished area, central air conditioning, a fireplace, and a garage containing 420 square feet of building area. The property has an approximately 12,937 square foot site and is located in Mundelein, Fremont Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on five comparable sales. The comparables are located in the same neighborhood code as the subject property and were built from 1988 to 1992. The comparables consist of two-story dwellings ranging in size from 2,161 to 2,658 square feet of

living area. Each dwelling has central air conditioning, a basement, a fireplace, and a garage of 420 or 444 square feet of building area. The parcels range in size from 9,810 to 13,508 square feet of land area. The comparables sold from May of 2019 to July of 2020 for prices ranging from \$285,000 to \$330,000 or from \$114.58 to \$131.88 per square foot of living area, including land. Based on this evidence, the appellant requested a reduced assessment of \$97,192.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$103,727. The subject's assessment reflects a market value of \$311,586 or \$140.00 per square foot of living area, land included, when using the 2020 three year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on three comparable sales. Two of the comparables are located in the same neighborhood code as the subject property. The comparables consist of two-story dwellings of vinyl siding exterior construction ranging in size from 2,172 to 2,288 square feet of living area. The dwellings were built in 1991 or 1992. Each dwelling has central air conditioning, and a garage of 420 or 462 square feet of building area. Each comparable has a basement, with comparables #1 and #3 having finished area. Comparables #1 and #2 each have a fireplace. The parcels range in size from 8,390 to 14,970 square feet of land area. The comparables sold from March 2019 to November 2020 for prices ranging from \$315,000 to \$340,000 or from \$139.50 to \$154.24 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of eight comparable sales to support their respective positions before the Property Tax Appeal Board. The Board has given reduced weight to appellant's comparables and board of review comparable #2 due to their lack of finished basement area when compared to the subject.

The Board finds the best evidence of market value to be board of review comparable sales #1 and #3. These most similar comparables sold for prices ranging of \$315,000 and \$340,000 or \$139.50 and \$148.60 per square foot of living area, including land. The subject's assessment reflects a market value of \$311,586 or \$140.00 per square foot of living area, including land, which is below the best comparable sales in this record on an overall basis but within the market values on a per-square-foot basis. Based on this evidence, and after considering adjustments to the best comparables for differences, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
