

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Lyle Staab
DOCKET NO.: 20-00596.001-R-1
PARCEL NO.: 10-28-405-027

The parties of record before the Property Tax Appeal Board are Lyle Staab, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$28,350
IMPR.: \$124,185
TOTAL: \$152,535

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of brick and wood siding exterior construction with 3,390 square feet of living area.¹ The dwelling was constructed in 2008. Features of the home include a basement, central air conditioning, a fireplace, and a garage containing 833 square feet of building area. The property has a 14,715 square foot site and is located in Hawthorn Woods, Fremont Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on five comparable sales. The comparables are located in the same neighborhood code as the subject property and were built from 2005 to 2010. The comparables consist of two-story dwellings ranging in size from 2,826 to 3,308 square feet of

¹ Additional details of the subject have been drawn from the property record card which were not refuted with any rebuttal evidence by the appellant.

living area. Each dwelling has central air conditioning, a basement, one fireplace, and a garage ranging in size from 424 to 476 square feet of building area. The parcels range in size from 13,055 to 15,629 square feet of land area. The comparables sold from February 2019 to December 2019 for prices ranging from \$360,000 to \$455,500 or from \$110.04 to \$142.92 per square foot of living area, including land. Based on this evidence, the appellant requested a reduced assessment of \$138,288.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$152,535. The subject's assessment reflects a market value of \$458,201 or \$135.16 per square foot of living area, land included, when using the 2020 three year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales located in the same neighborhood code as the subject property. Comparable #3 is the same as appellant's comparable #5. The comparables consist of two-story dwellings of brick and wood siding exterior construction ranging in size from 3,094 to 3,477 square feet of living area. The dwellings were built from 2005 to 2008. Each dwelling has central air conditioning, a fireplace, and a garage ranging in size from 476 to 591 square feet of building area. Each comparable has a basement with two having finished area. The parcels range in size from 12,600 to 16,520 square feet of land area. The comparables sold from March 2019 to December 2020 for prices ranging from \$455,500 to \$520,000 or from \$142.92 to \$156.76 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of eight comparable sales, one of which was common to the parties, to support their respective positions before the Property Tax Appeal Board. The Board has given reduced weight to appellant's comparable #3 due to its smaller dwelling size when compared to the subject. The Board also gives reduced weight to board of review comparables #1 and #4 due to their finished basement area which is not a feature of the subject.

The Board finds the best evidence of market value to be appellant's comparable sales #1, #2, #4, and #5 along with board of review comparable sales #2 and #3. These most similar comparables sold for prices ranging from \$364,000 to \$520,000 or from \$110.04 to \$149.55 per square foot of living area, including land. The subject's assessment reflects a market value of \$458,201 or \$135.16 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence, and after considering

adjustments to the best comparables for differences, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
