

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Dorian Mendoza
DOCKET NO.: 20-00611.001-R-1
PARCEL NO.: 06-04-204-013

The parties of record before the Property Tax Appeal Board are Dorian Mendoza, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$8,062
IMPR.: \$80,430
TOTAL: \$88,492

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1-story dwelling of wood siding exterior construction with 1,722 square feet of living area. The dwelling was constructed in 2005. Features of the home include a full basement with finished area,¹ central air conditioning, a fireplace, and a 520 square foot garage. The property has an approximately 10,454 square foot site and is located in Lake Villa, Lake Villa Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on six comparable sales located from 0.71 of a mile to 1.62 miles from the subject property. The parcels range in size from 7,841 to 14,810 square feet of land area and are improved with 1-story homes of wood siding exterior construction ranging in

¹ Additional details regarding the subject property not reported by the appellant are found in the subject's property record card presented by the board of review.

size from 1,580 to 1,950 square feet of living area. The dwellings were built from 1997 to 2001. Each home has a basement, one of which has finished area,² central air conditioning, and a garage ranging in size from 400 to 800 square feet of building area. Five homes each have a fireplace. The comparables sold from May 2019 to July 2020 for prices ranging from \$230,000 to \$266,800 or from \$124.10 to \$156.57 per square foot of living area, including land. Based on this evidence the appellant requested a reduction in the subject's assessment to \$73,465 which would reflect a market value of \$220,417 or \$128.00 per square foot of living area, including land, when applying the statutory level of assessment of 33.33%

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$88,492. The subject's assessment reflects a market value of \$265,822 or \$154.37 per square foot of living area, land included, when using the 2020 three year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales located from 0.68 of a mile to 1.30 miles from the subject property. Comparable #3 is the same property as the appellant's comparable #1. The parcels range in size from 9,150 to 16,990 square feet of land area and are improved with 1-story homes of wood siding exterior construction ranging in size from 1,704 to 2,126 square feet of living area. The dwellings were built from 1997 to 2001. Each home has a basement, three of which have finished area, central air conditioning, and a garage ranging in size from 400 to 650 square feet of building area. Four homes each have a fireplace. The comparables sold from September 2019 to August 2020 for prices ranging from \$255,000 to \$345,000 or from \$131.31 to \$162.28 per square foot of living area, including land. Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of ten comparable sales, with one common comparable, for the Board's consideration. The Board gives less weight to the appellant's comparables #4, #5, and #6 and the board of review's comparables #4 and #5, which are located more than one mile from the subject property. The Board gives less weight to the appellant's comparable #2, which has a much larger lot and garage than the subject.

The Board finds the best evidence of market value to be the appellant's comparable #1/board of review's comparable #3, the appellant's comparable #3, and the board of review's comparables

² Comparable #1 is the same property as the board of review's comparable #3 which the board of review reported has finished basement area. The appellant did not refute this description in written rebuttal.

#1 and #2, which are similar to the subject in dwelling size, age, location, and most features. These most similar comparables sold from September 2019 to July 2020 for prices ranging from \$243,000 to \$277,500 or from \$130.43 to \$156.57 per square foot of living area, including land. The subject's assessment reflects a market value of \$265,822 or \$154.37 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence and after considering appropriate adjustments to the best comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.

Clerk of the Property Tax Appeal Board

IMPORTANT NOTICE

Section 16-185 of the Property Tax Code provides in part:

"If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel after the deadline for filing complaints with the Board of Review or after adjournment of the session of the Board of Review at which assessments for the subsequent year or years of the same general assessment period, as provided in Sections 9-125 through 9-225, are being considered, the taxpayer may, within 30 days after the date of written notice of the Property Tax Appeal Board's decision, appeal the assessment for such subsequent year or years directly to the Property Tax Appeal Board."

In order to comply with the above provision, YOU MUST FILE A PETITION AND EVIDENCE WITH THE PROPERTY TAX APPEAL BOARD WITHIN 30 DAYS OF THE DATE OF THE ENCLOSED DECISION IN ORDER TO APPEAL THE ASSESSMENT OF THE PROPERTY FOR THE SUBSEQUENT YEAR OR YEARS. A separate petition and evidence must be filed for each of the remaining years of the general assessment period.

Based upon the issuance of a lowered assessment by the Property Tax Appeal Board, the refund of paid property taxes is the responsibility of your County Treasurer. Please contact that office with any questions you may have regarding the refund of paid property taxes.
