

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Teresa Burgin  
DOCKET NO.: 20-00633.001-R-1  
PARCEL NO.: 13-01-103-007

The parties of record before the Property Tax Appeal Board are Teresa Burgin, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **a Reduction** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$38,963  
**IMPR.:** \$116,507  
**TOTAL:** \$155,470

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of brick and wood siding exterior construction with 2,684 square feet of living area. The dwelling was constructed in 1977. Features of the home include a basement, central air conditioning, two fireplaces, and a garage containing 792 square feet of building area. The property has an approximately 75,125 square foot site and is located in Barrington, Cuba Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located in the same neighborhood code as the subject property. The comparables were built from 1964 to 1995 with comparable #1 having an effective age of 1966. The comparables consist of 1.5 or 2-story dwellings of brick, wood siding, or brick and wood siding exterior construction ranging in size from 2,726 to 3,282 square feet of living area. Each dwelling has central air conditioning, two or three fireplaces,

and a garage ranging in size from 934 to 1,498 square feet of building area. Each dwelling has a basement, two of which have finished area. The parcels range in size from 44,416 to 104,980 square feet of land area. The comparables sold from December 2019 to July 2020 for prices ranging from \$475,000 to \$595,000 or from \$155.39 to \$182.18 per square foot of living area, including land. Based on this evidence, the appellant requested a reduced assessment of \$146,711.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$162,223. The subject's assessment reflects a market value of \$487,302 or \$181.56 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales. Board of review comparables #1, #2, and #5 are the same as appellant's comparables #1, #2, and #3, respectively. Three of the comparables are in the same neighborhood code as the subject property. The comparables consist of 1, 1.75, and 2-story dwellings of brick or wood siding exterior construction ranging in size from 2,524 to 3,266 square feet of living area. The dwellings were built from 1964 to 1995 with comparable #1 having an effective age of 1966. Each dwelling has central air conditioning, one to three fireplaces, and a garage ranging in size from 575 to 970 square feet of building area. Each dwelling has a basement with two having finished area. The parcels range in size from 44,420 to 104,980 square feet of land area. The comparables sold from November 2019 to December 2020 for prices ranging from \$400,000 to \$600,000 or from \$153.61 to \$183.71 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The parties submitted a total of five comparable sales, three of which were common to the parties, to support their respective positions before the Property Tax Appeal Board. The Board has given reduced weight to appellant's comparables #1 and #3/board of review comparables #1 and #5 due to their finished basements and/or newer age when compared to the subject.

The Board finds the best evidence of market value to be the remaining comparables. These most similar comparables sold for prices ranging from \$400,000 to \$475,000 or from \$153.61 to \$174.25 per square foot of living area, including land. The subject's assessment reflects a market value of \$487,302 or \$181.56 per square foot of living area, including land, which is above the range established by the best comparable sales in this record. Based on this evidence, and after

considering adjustments to the best comparables for differences, the Board finds a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
