

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Renee Kessel  
DOCKET NO.: 20-00637.001-R-1  
PARCEL NO.: 10-13-114-013

The parties of record before the Property Tax Appeal Board are Renee Kessel, the appellant, by attorney Ronald Kingsley of Lake County Real Estate Tax Appeal, LLC in Lake Forest, and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$13,489  
**IMPR.:** \$58,530  
**TOTAL:** \$72,019

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property is improved with a two-story dwelling of vinyl siding exterior construction with 1,470 square feet of living area. The dwelling was built in 1996. Features of the home include a crawl space foundation, central air conditioning, and an attached garage with 420 square feet of building area. The property has a site with approximately 4,360 square feet of land area and is located in Mundelein, Fremont Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales improved with two-story dwellings with either 1,560 or 1,900 square feet of living area. The homes were built in 1997 or 1998. Each comparable has central air conditioning and a garage with 420 square feet of building area. The comparables have sites ranging in size from 4,356 to 6,534 square feet of land area and are located from .09 to .18 of one mile from the subject property. The comparables sold from April

2019 to June 2020 for prices ranging from \$208,000 to \$252,655 or from \$132.98 to \$146.15 per square foot of living area, including land. The appellant requested the subject's assessment be reduced to \$65,163.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$72,019. The subject's assessment reflects a market value of \$216,338 or \$147.17 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales with comparable #3 being the same property as appellant's comparable #3. The comparables are improved with two-story dwellings with vinyl siding exteriors that range in size from 1,460 to 1,560 square feet of living area. The homes were built from 1995 to 1997. Each comparable has a crawl space or slab foundation, central air conditioning and an attached garage with 420 square feet of building area. Three comparables have one fireplace. The comparables have sites with either 4,360 or 6,530 square feet of land area and are located from .05 to .15 of one mile from the subject property. The sales occurred from April 2019 to December 2020 for prices ranging from \$228,000 to \$239,000 or from \$146.15 to \$160.89 per square foot of living area, land included.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of market value to be appellant's comparable sales #2 and #3 as well as the board of review comparable sales, which includes a common sale. These comparables are similar to the subject in location, land area, dwelling style, living area, age, construction, and most features with the exception three have fireplaces while the subject has no fireplace. These comparables sold from prices ranging from \$208,000 to \$239,000 or from \$133.33 to \$160.89 per square foot of living area, including land. The subject's assessment reflects a market value of \$216,338 or \$147.17 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Less weight is given appellant's comparable sale #1 due to differences from the subject in dwelling size. Based on this evidence the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
