

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Kimberly Crowley  
DOCKET NO.: 20-00640.001-R-1  
PARCEL NO.: 13-01-306-003

The parties of record before the Property Tax Appeal Board are Kimberly Crowley, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$37,373  
**IMPR.:** \$251,445  
**TOTAL:** \$288,818

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of brick and wood siding exterior construction with 5,537 square feet of living area. The dwelling was constructed in 2007. Features of the home include a basement with finished area, central air conditioning, four fireplaces, and a garage containing 1,103 square feet of building area. The property has an approximately 53,700 square foot site and is located in Barrington, Cuba Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales. Comparable #3 is located in the same neighborhood code as the subject property. The comparables were built in 1992 or 1996 and consist of two-story dwellings of brick, wood siding, or brick and wood siding exterior construction ranging in size from 4,457 to 5,138 square feet of living area. Each dwelling has

central air conditioning, one to four fireplaces, a finished basement, and a garage ranging in size from 782 to 1,512 square feet of building area. The parcels range in size from 55,808 to 82,794 square feet of land area. The comparables sold from December 2018 to February 2020 for prices ranging from \$653,000 to \$875,000 or from \$144.76 to \$170.30 per square foot of living area, including land. Based on this evidence, the appellant requested a reduced assessment of \$278,668.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$288,818. The subject's assessment reflects a market value of \$867,582 or \$156.69 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on three comparable sales. Two of the comparables are located in the same neighborhood code as the subject property. The comparables consist of two-story dwellings of brick exterior construction ranging in size from 5,011 to 5,213 square feet of living area. The dwellings were built from 1993 to 2000. Each dwelling has central air conditioning, two or three fireplaces, and a garage ranging in size from 745 to 1,263 square feet of building area. Each comparable has a basement with two having finished area. Comparable # 2 has an inground swimming pool. The parcels range in size from 40,740 to 61,380 square feet of land area. The comparables sold from May 2019 to October 2020 for prices ranging from \$850,000 to \$950,000 or from \$167.26 to \$189.58 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of six comparable sales to support their respective positions before the Property Tax Appeal Board. The Board finds the parties' comparables are not truly similar to the subject due to differences in location, size, age, and/or features. Nevertheless, the Board has given reduced weight to appellant's comparable #3 due to its more remote sale date for valuation as of January 1, 2020. The Board also gives reduced weight to board of review comparables #1 and #2 due to their unfinished basement and inground swimming pool, respectively, which are not features of the subject.

The Board finds the best evidence of market value to be appellant's comparable sales #1 and #2 along with board of review comparable sale #3. These most similar comparables sold for prices ranging from \$653,000 to \$850,000 or from \$144.76 to \$167.26 per square foot of living area, including land. The subject's assessment reflects a market value of \$867,582 or \$156.69 per square foot of living area, including land, which is above the range established by the best

comparable sales in this record on an overall basis, but within that range on a per-square-foot basis, which the Board finds logical due to the subject's newer age and larger dwelling size. Based on this evidence, and after considering adjustments to the best comparables for differences, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
