

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Renee Kessel
DOCKET NO.: 20-00641.001-R-1
PARCEL NO.: 10-13-115-018

The parties of record before the Property Tax Appeal Board are Renee Kessel, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$13,489
IMPR.: \$55,285
TOTAL: \$68,774

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling of vinyl siding exterior construction with 1,482 square feet of living area.¹ The dwelling was constructed in 1996. Features of the home include a crawl-space foundation, central air conditioning, and a garage containing 400 square feet of building area. The property has an approximately 4,360 square foot site and is located in Mundelein, Fremont Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on six comparable sales. The comparables were built from 1987 to 1990 and consist of one-story dwellings of 1,321 or 1,330 square feet of living area. Each dwelling has central air conditioning and a garage of 260 or 276 square feet of building area.

¹ Additional details of the subject have been drawn from the property record card which were not refuted with any rebuttal evidence by the appellant.

The parcels range in size from 4,278 to 4,700 square feet of land area. The comparables sold from January 2019 to May 2020 for prices ranging from \$115,900 to \$175,000 or from \$87.74 to \$131.58 per square foot of living area, including land. Based on this evidence, the appellant requested a reduced assessment of \$59,274.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$68,774. The subject's assessment reflects a market value of \$206,591 or \$139.40 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales. The comparables consist of one or two-story dwellings of wood or vinyl siding exterior construction ranging in size from 1,429 to 1,576 square feet of living area. The dwellings were built from 1984 to 1997. Each dwelling has central air conditioning and a garage ranging in size from 258 to 420 square feet of building area. Two of the comparables each have a fireplace. The parcels range in size from 4,030 to 10,430 square feet of land area. The comparables sold from April 2019 to September 2020 for prices ranging from \$211,000 to \$215,000 or from \$136.36 to \$146.46 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of eleven comparable sales to support their respective positions before the Property Tax Appeal Board. The Board has given reduced weight to board of review comparables #1, #2, #4, and #5 due to their dissimilar design when compared to the subject.

The Board finds the best evidence of market value to be the appellant's comparable sales and board of review comparable sale #3. These most similar comparables sold for prices ranging from \$115,900 to \$214,000 or from \$87.74 to \$146.46 per square foot of living area, including land. The subject's assessment reflects a market value of \$206,591 or \$139.40 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence, and after considering adjustments to the best comparables for differences, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
