

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Glen Stepanovic
DOCKET NO.: 20-00642.001-R-1
PARCEL NO.: 13-02-303-015

The parties of record before the Property Tax Appeal Board are Glen Stepanovic, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$16,334
IMPR.: \$136,088
TOTAL: \$152,422

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1.5-story dwelling of wood siding exterior construction with 2,578 square feet of living area. The dwelling was constructed in 1937 and has an effective year built of 1953. Features of the home include a basement with finished area, central air conditioning, two fireplaces and a 480 square foot garage. The lake front property has a 9,865 square foot site and is located in Tower Lakes, Cuba Township, Lake County.¹

The subject property is an owner-occupied residence that was the subject matter of an appeal before the Property Tax Appeal Board the prior year under Docket Number 19-05102.001-R-1. In that appeal, the Property Tax Appeal Board rendered a decision lowering the assessment of

the subject property to \$148,400 based on the evidence. In its submission, the board of review reported that 2019 was the beginning of the subject's general assessment cycle.

The appellant contends overvaluation as the basis of the appeal. In support of the overvaluation argument, the appellant submitted information on five comparable sales located within 0.72 of a mile from the subject and in the same assessment neighborhood code as the subject property. The comparables have varying degrees of similarity to the subject in location, age, dwelling size and features. The comparables sold from April 2019 to March 2020 for prices ranging from \$334,000 to \$512,500 or from \$124.01 to \$197.50 per square foot of living area, land included.

Based on this evidence, the appellant requested the subject's total assessment be reduced to \$121,164. The requested assessment reflects a total market value of \$363,528 or \$141.01 per square foot of living area, land included, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$159,146. The subject's assessment reflects a market value of \$478,059 or \$185.44 per square foot of living area, land included when applying the 2020 three year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue. The board of review disclosed that an equalization factor of 1.0271 was applied for the 2020 tax year in Cuba Township.

In support of its contention of the correct assessment, the board of review submitted information on three comparable sales located within 0.28 of a mile from the subject and in the same assessment neighborhood code as the subject property. The comparables have varying degrees of similarity to the subject in location, age, dwelling size and features. The comparables sold from July to October 2020 for prices ranging from \$470,000 to \$700,000 or from \$216.09 to \$332.70 per square foot of living area, land included. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds, pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185), a reduction in the subject's assessment is warranted.

The Property Tax Appeal Board finds that the subject property was the matter of an appeal before this Board for a prior tax year under Docket Number 19-05102.001-R-1. In that appeal, the Property Tax Appeal Board rendered a decision lowering the subject's assessment to \$148,400. The Property Tax Appeal Board takes notice that Cuba Township's general assessment period began in the 2019 tax year and continues through the 2022 tax year. The Board also finds this record shows that a 1.0271 equalization factor was issued in Cuba

Township for the 2020 tax year. The Board further finds section 16-185 of the Property Tax Code is controlling in this appeal (35 ILCS 200/16-185).

Section 16-185 of the Property Tax Code (35 ILCS 200/16-185) states in part:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review.

The Board finds the subject property is an owner-occupied residence and that the 2019 and 2020 tax years are within the same general assessment period for Cuba Township. The record contains no evidence showing the subject property sold in an arm's length transaction establishing a different fair cash value. Furthermore, the decision of the Property Tax Appeal Board for the 2019 tax year has not yet been reversed or modified upon review. For these reasons, the Property Tax Appeal Board finds that the prior year's 2019 decision should be carried forward to the 2020 tax year pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185) and a reduction in the subject's assessment is warranted to reflect the Board's prior year's decision plus application of the 2020 equalization factor of 1.0271. ($\$148,400 \times 1.0271 = \$152,422$).

Additionally, notwithstanding the dictates of Section 16-185 of the Property Tax Code, the record contains eight sale comparables to support their respective arguments. The comparables have varying degrees of similarity to the subject in location, age, dwelling size and features. These properties sold from April 2019 to October 2020 for prices ranging from \$334,000 to \$700,000 or from \$124.01 to \$332.70 per square foot of living area, including land. The subject's assessment after reduction reflects a market value of \$457,861 or \$177.60 per square foot of living area, land included, which falls within the range of the comparable sales in the record. The Board finds on this record that the comparables demonstrate the subject, once reduced as an owner-occupied property, is correctly assessed.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
