

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Mark Michalski  
DOCKET NO.: 20-00654.001-R-1  
PARCEL NO.: 10-13-311-002

The parties of record before the Property Tax Appeal Board are Mark Michalski, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$33,915  
**IMPR.:** \$89,992  
**TOTAL:** \$123,907

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 2-story dwelling of vinyl siding exterior construction<sup>1</sup> with 2,764 square feet of living area. The dwelling was constructed in 2006. Features of the home include a basement, central air conditioning, and a 682 square foot garage. The property has a 11,949 square foot site and is located in Mundelein, Fremont Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales. The comparables are located within 0.24 of a mile from the subject property. The comparables have 10,785 or 14,876 square feet of land area and are improved with 2-story homes ranging in size from 3,299 to 3,433 square feet of living area. The dwellings were built in 2005 or 2006. Each home has a basement, central air

conditioning, a fireplace, and a 672 square foot garage. The comparables sold from May to July 2020 for prices ranging from \$382,500 or \$425,000 or from \$111.42 to \$126.98 per square foot of living area, including land.

Based on this evidence the appellant requested a reduction in the subject's assessment to \$115,155 which would reflect a market value of \$345,500 or \$125.00 per square foot of living area, land included, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$123,907. The subject's assessment reflects a market value of \$372,205 or \$134.66 per square foot of living area, land included, when using the 2020 three year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales. The comparables are located within 0.21 of a mile from the subject property. The parcels range in size from 10,620 to 14,210 square feet of land area and are improved with 2-story homes of brick and vinyl siding exterior construction ranging in size from 2,512 to 3,311 square feet of living area. The dwellings were built in 2005 or 2006. Each home has a basement, one of which is a walkout basement and three of which have finished area, central air conditioning, a fireplace, and a garage with either 660 or 672 square feet of building area. The comparables sold from September 2019 to November 2020 for prices ranging from \$399,900 to \$475,000 or from \$131.98 to \$178.74 per square foot of living area, including land.

Based on this evidence the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of eight comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparables and the board of review's comparable #5, due to substantial differences from the subject in dwelling size.

The Board finds the best evidence of market value to be the board of review's comparables #1 through #4, which are relatively similar to the subject in dwelling size, lot size, age, location, and most features, although three of these properties have finished basement area which the subject does not feature. These most similar comparables sold from September 2019 to October 2020 for prices ranging from \$399,900 to \$475,000 or from \$131.98 to \$178.74 per square foot of living area, including land. The subject's assessment reflects a market value of \$372,205 or \$134.66 per square foot of living area, including land, which is below the range established by the best comparable sales in terms of total market value and within the range on a price per

square foot basis. Based on this evidence and after considering appropriate adjustments to the best comparables for differences from the subject, such as finished basement area, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
