

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Greg Koza
DOCKET NO.: 20-00656.001-R-1
PARCEL NO.: 10-13-407-009

The parties of record before the Property Tax Appeal Board are Greg Koza, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$22,291
IMPR.: \$81,965
TOTAL: \$104,256

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of vinyl siding exterior construction¹ with 2,515 square feet of living area. The dwelling was constructed in 1992. Features of the home include a basement, central air conditioning, a fireplace, and a 441 square foot garage. The property has a 13,329 square foot site and is located in Mundelein, Fremont Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on six comparable sales. The comparables are located from 0.03 to 0.22 of a mile from the subject. The parcels range in size from 10,228 to 13,251 square feet of land area and are improved with 2-story homes ranging in size from 2,515 to 2,879 square

¹ Additional details regarding the subject property not reported by the appellant are found in the subject's property record card presented by the board of review.

feet of living area. The dwellings were built from 1990 to 1995. Each home has a basement, central air conditioning, a fireplace, and a garage with either 441 or 462 square feet of building area. The comparables sold from April 2019 to July 2020 for prices ranging from \$300,000 to \$365,000 or from \$104.20 to \$127.09 per square foot of living area, land included. Based on this evidence the appellant requested a reduction in the subject's assessment to \$100,590 which would reflect a market value of \$301,800 or \$120.00 per square foot of living area, including land, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$104,256. The subject's assessment reflects a market value of \$313,175 or \$124.52 per square foot of living area, land included, when using the 2020 three year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales. The comparables are located from 0.11 to 0.37 of a mile from the subject. The parcels range in size from 10,400 to 13,180 square feet of land area and are improved with 2-story homes of vinyl siding exterior construction ranging in size from 2,470 to 2,534 square feet of living area. The dwellings were built from 1992 to 1994. Each home has a basement, central air conditioning, a fireplace, and a garage ranging in size from 420 to 461 square feet of building area. Comparable #1 has an inground swimming pool. The comparables sold from September 2019 to August 2020 for prices ranging from \$317,000 to \$380,000 or from \$127.00 to \$151.09 per square foot of living area, land included. Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of eleven comparable sales for the Board's consideration. The Board gives less weight to the board of review's comparable #1 which has an inground swimming pool that is not a feature of the subject.

The Board finds the best evidence of market value to be the remaining comparables, which are similar to the subject in dwelling size, lot size, age, location, and most features. These most similar comparables sold from April 2019 to August 2020 for prices ranging from \$300,000 to \$365,000 or from \$104.20 to \$139.68 per square foot of living area, including land. The subject's assessment reflects a market value of \$313,175 or \$124.52 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence and after considering appropriate adjustments to the best comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
