

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Robert Nordin  
DOCKET NO.: 20-00658.001-R-1  
PARCEL NO.: 10-14-304-012

The parties of record before the Property Tax Appeal Board are Robert Nordin, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$34,242  
**IMPR.:** \$103,912  
**TOTAL:** \$138,154

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 2-story dwelling of vinyl siding exterior construction<sup>1</sup> with 3,313 square feet of living area. The dwelling was constructed in 1996. Features of the home include a basement, central air conditioning, a fireplace, a 726 square foot garage, and an inground swimming pool. The property has a 18,295 square foot site and is located in Mundelein, Fremont Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on six comparable sales. The comparables are located from 0.21 to 0.59 of a mile from the subject. The parcels range in size from 12,197 to 15,682 square feet of land area and are improved with 2-story homes ranging in size from 2,661 to 3,379 square

feet of living area. The dwellings were built from 1996 to 1998. Each home has a basement, central air conditioning, and a garage ranging in size from 462 to 726 square feet of building area. Four homes each have a fireplace. The comparables sold from March 2019 to May 2020 for prices ranging from \$325,000 to \$385,750 or from \$96.18 to \$125.89 per square foot of living area, including land. Based on this evidence the appellant requested a reduction in the subject's assessment to \$131,403 which would reflect a market value of \$394,248 or \$119.000 per square foot of living area, land included, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$148,736. The subject's assessment reflects a market value of \$446,789 or \$134.86 per square foot of living area, land included, when using the 2020 three year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales. The comparables are located from 0.04 to 0.47 of a mile from the subject. The parcels range in size from 12,200 to 13,500 square feet of land area and are improved with 2-story homes of vinyl siding exterior construction ranging in size from 3,202 to 3,538 square feet of living area. The dwellings were built from 1996 to 1999. Each home has a basement, one of which is a walkout basement and three of which have finished area. Other features include central air conditioning, a fireplace, and a garage ranging in size from 682 to 824 square feet of building area. The comparables sold from June 2019 to August 2020 for prices ranging from \$426,000 to \$510,000 or from \$127.81 to \$144.15 per square foot of living area, land included. Based on this evidence the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The record contains a total of eleven comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparables #5 and #6 and the board of review's comparables #1 through #4, which are less similar in dwelling size than other comparables in this record.

The Board finds the best evidence of market value to be the appellant's comparables #1 through #4 and the board of review's comparable #5, which are similar to the subject in dwelling size, lot size, age, location, and some features, although none of these properties has an inground swimming pool like the subject. These most similar comparables sold from July 2019 to May 2020 for prices ranging from \$325,000 to \$426,000 or from \$96.18 to \$127.81 per square foot of living area, including land. The subject's assessment reflects a market value of \$446,789 or

\$134.86 per square foot of living area, including land, which is above the range established by the best comparable sales in this record. Based on this evidence and after considering appropriate adjustments to the best comparables for differences from the subject, such as the subject's inground swimming pool, the Board finds a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
