

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Denise Ousset
DOCKET NO.: 20-00660.001-R-1
PARCEL NO.: 10-14-304-019

The parties of record before the Property Tax Appeal Board are Denise Ousset, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$29,165
IMPR.: \$78,556
TOTAL: \$107,721

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of vinyl siding exterior construction¹ with 2,410 square feet of living area. The dwelling was constructed in 1996. Features of the home include a basement, central air conditioning, a fireplace, and a 506 square foot garage. The property has a 12,197 square foot site and is located in Mundelein, Fremont Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on five comparable sales. The comparables are located from 0.10 to 0.44 of a mile from the subject property. The parcels range in size from 12,197 to 15,682 square feet of land area and are improved with 2-story homes ranging in size from 2,512 to 2,777

¹ Additional details regarding the subject property not reported by the appellant are found in the subject's property record card presented by the board of review.

square feet of living area. The dwellings were built from 1996 to 1999. Each home has a basement, central air conditioning, a fireplace, and a garage with either 462 or 726 square feet of building area. The comparables sold from March 2019 to June 2020 for prices ranging from \$305,000 to \$350,000 or from \$118.77 to \$128.18 per square foot of living area, including land.

Based on this evidence the appellant requested a reduction in the subject's assessment to \$102,816 which would reflect a market value of \$308,479 or \$128.00 per square foot of living area, land included, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$107,721. The subject's assessment reflects a market value of \$323,584 or \$134.27 per square foot of living area, land included, when using the 2020 three year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales. The comparables are located from 0.11 to 0.46 of a mile from the subject property. The parcels range in size from 11,760 to 16,550 square feet of land area and are improved with 2-story homes of vinyl siding exterior construction ranging in size from 2,273 to 2,710 square feet of living area. The dwellings were built in 1998 or 1999. Each home has a basement, two of which have finished area, central air conditioning, and a garage ranging in size from 462 to 792 square feet of building area. Two homes each have a fireplace. The comparables sold from May 2019 to September 2020 for prices ranging from \$350,000 to \$420,000 or from \$132.84 to \$175.98 per square foot of living area, including land.

Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of ten comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparables #2 and #4 and the board of review's comparables #1 and #3, which are less similar to the subject in dwelling size than other comparables in this record.

The Board finds the best evidence of market value to be the appellant's comparables #1, #3, and #5 and the board of review's comparables #2, #4, and #5, which are similar to the subject in dwelling size, lot size, age, location, and most features. These most similar comparables sold from March 2019 to August 2020 for prices ranging from \$305,000 to \$400,000 or from \$118.77 to \$175.98 per square foot of living area, including land. The subject's assessment reflects a market value of \$323,584 or \$134.27 per square foot of living area, including land, which is

within the range established by the best comparable sales in this record. Based on this evidence and after considering appropriate adjustments to the best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
