

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Kevin Saiki
DOCKET NO.: 20-00662.001-R-1
PARCEL NO.: 10-14-410-006

The parties of record before the Property Tax Appeal Board are Kevin Saiki, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$29,553
IMPR.: \$101,729
TOTAL: \$131,282

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling with 3,385 square feet of living area. The dwelling was constructed in 1999. Features of the home include a basement, central air conditioning, and a 726 square foot garage. The property has a 12,632 square foot site and is located in Mundelein, Fremont Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on five comparable sales located within 0.63 of a mile from the subject property. The parcels range in size from 12,197 to 14,810 square feet of land area and are improved with 2-story homes ranging in size from 2,777 to 3,379 square feet of living area. The dwellings were built in 1997. Each home has a basement, central air conditioning, and a garage with either 528 or 726 square feet of building area. Four homes each have a fireplace.

The comparables sold from April 2019 to March 2020 for prices ranging from \$325,000 to \$412,000 or from \$96.18 to \$123.24 per square foot of living area, land included.

The appellant submitted a copy of the final decision of the board of review disclosing the property has a total assessment of \$137,653. The subject's assessment reflects a market value of \$413,497 or \$122.16 per square foot of living area, land included, when using the 2020 three year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

Based on this evidence the appellant requested a reduction in the subject's assessment to \$131,282 which would reflect a market value of \$393,885 or \$116.36 per square foot of living area, including land, when applying the statutory level of assessment of 33.33%.

The board of review did not submit its "Board of Review Notes on Appeal" nor any evidence in support of its assessed valuation of the subject property and was found in default by a letter issued on September 2, 2021.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the only evidence of market value to be the appellant's comparables, which have varying degrees of similarity to the subject. These comparables sold from July 2019 to March 2020 for prices ranging from \$325,000 to \$350,000 or from \$96.18 to \$122.43 per square foot of living area, including land. The subject's assessment reflects a market value of \$413,497 or \$122.16 per square foot of living area, including land, which is above the range established by the only comparable sales in this record. The board of review did not submit any evidence in support of its assessment of the subject property as required by section 1910.40(a) of the rules of the Board and is found to be in default pursuant to section 1910.69(a) of the rules of the Board. 86 Ill.Admin.Code §1910.40(a) & §1910.69(a). On this limited record, the Board has examined the evidence submitted by the appellant and finds that a reduction in the assessed valuation of the subject property is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
