

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Mike Minarik
DOCKET NO.: 20-00671.001-R-1
PARCEL NO.: 10-19-106-015

The parties of record before the Property Tax Appeal Board are Mike Minarik, the appellant, by attorney Ronald Kingsley of Lake County Real Estate Tax Appeal, LLC in Lake Forest, and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$27,576
IMPR.: \$77,941
TOTAL: \$105,517

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property is improved with a one-story dwelling of vinyl siding exterior construction containing 2,011 square feet of living area. The dwelling was built in 2003. Features of the home include an unfinished full basement, central air conditioning, one fireplace, 2 bathrooms, and an attached garage with 477 square feet of building area. The property has a 13,939 square foot site and is located in Wauconda, Fremont Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales improved with one-story dwellings ranging in size from 2,011 to 2,280 square feet of living area. The homes were built in 2002 or 2008. Each comparable has an unfinished basement, central air conditioning, 2 or 2½ bathrooms and a garage ranging in size from 462 to 762 square feet of living area. Two comparables have one fireplace each. The comparables have sites ranging in size from 12,197 to 20,268 square

feet of land area and are located from .02 to 1.27 miles from the subject property. The sales occurred from June 2018 to July 2020 for prices ranging from \$275,000 to \$350,000 or from \$120.61 to \$167.33 per square foot of living area, land included. The appellant requested the subject's assessment be reduced to \$101,880.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$105,517. The subject's assessment reflects a market value of \$316,963 or \$157.61 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on two comparable sales with comparable #1 being the same property as appellant's comparable sale #3. Board of review comparable #2 is improved with a one-story dwelling of vinyl siding and brick exterior construction built in 2003 with 2,308 square feet of living area. The home has an unfinished full basement, central air conditioning, one fireplace, 2½ bathrooms, and an attached garage with 462 square feet of building area. The property has a 10,450 square foot site and is located approximately .12 of one mile from the subject property. The property sold in December 2020 for a price of \$308,500 or \$133.67 per square foot of living area, including land.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains four comparable sales submitted by the parties to support their respective positions with one comparable being common to the parties. The best comparables include the appellant's comparables #1 and #3 as well as the board for review comparables, which includes the common sale. These three comparables are similar to the subject in location, being within .12 of one mile from the subject and along the same street and within the same block as the subject property. The comparable dwellings are similar to the subject in age, size, style and features. These three homes sold for prices ranging from \$275,000 to \$336,500 or from \$120.61 to \$167.33 per square foot of living area, land included. The comparable at the low end of the price range is appellant's comparable #1, which sold in June 2018, less proximate in time to the assessment date than the other two comparables. Appellant's comparable #1 may require an upward adjustment for time since it sold approximately 18 months prior to the assessment date. The subject's assessment reflects a market value of \$316,963 or \$157.61 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Appellant's comparable sale #2 is not as similar to the subject in location as the other comparables which tends to detract from the weight given this sale, nevertheless, the property's purchase price of \$350,000 or \$157.80 per square foot of living area, land included, is also supportive of the subject's assessment. Based on this evidence the Board finds the assessment of

the subject property as established by the board of review is correct and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
