

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Maria Calles  
DOCKET NO.: 20-00688.001-R-1  
PARCEL NO.: 04-21-319-008

The parties of record before the Property Tax Appeal Board are Maria Calles, the appellant; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$ 5,717  
**IMPR.:** \$18,616  
**TOTAL:** \$24,333

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a one-story ranch style dwelling of wood siding exterior construction with 1,064 square feet of living area. The dwelling was constructed in 1965. Features include one full bathroom, central air conditioning and a 336-square foot attached garage. The subject property has a 12,780-square foot site. The subject property is located in Zion Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted five comparable sales. The appellant also disclosed the subject property is an owner-occupied residence. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$29,997. The subject's assessment reflects a market value of

\$90,000 or \$84.59 per square foot of living area including land when applying the statutory level of assessment of 33.33%.

In support of its contention of the correct assessment, the board of review submitted five comparable sales to demonstrate the subject's assessment is reflective of market value. The "Board of Review Notes on Appeal" further disclosed that 2019 was the first year of the general assessment period and that a 1.0735 equalization factor was issued in Zion Township for the 2020 tax year. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The Property Tax Appeal Board finds takes notice the subject property was the matter of an appeal before this Board the prior tax year under Docket Numbers 19-03651.001-R-1. In that appeal, the Property Tax Appeal Board rendered a decision lowering the subject's assessment to \$22,667 based on the evidence submitted by the parties. The Property Tax Appeal Board finds that Lake County's quadrennial general assessment period began in the 2019 tax year and continues through the 2022 tax year. The Board further finds section 16-185 of the Property Tax Code is controlling in this appeal. (35 ILCS 200/16-185).

Section 16-185 of the Property Tax Code provides in part:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review. (35 ILCS 200/16-185)

The Board finds this record disclosed the subject property is an owner-occupied residence and the 2019 through 2022 tax years are within the same general assessment period. The Board finds the record shows a 1.0735 equalization factor were issued in Zion Township for the 2020 tax year. The Board's 2019 decision has not been reversed or modified upon review and there is no evidence the subject property sold in an arm's-length transaction establishing a different fair cash value. Applying section 16-185 of the Property Tax Code (35 ILCS 200/16-185) to the Board's prior 2019 decision results in an assessment of \$24,333. ( $\$22,667 \times 1.0735 = \$24,333$ ). The subject's final 2020 assessment as established by the board of review was \$29,997. Considering the statutory mandates of section 16-185 of the Property Tax Code (35 ILCS 200/16-185), the Property Tax Appeal Board finds a reduction in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
