

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Romin Patel
DOCKET NO.: 20-00733.001-R-1
PARCEL NO.: 04-16-307-002

The parties of record before the Property Tax Appeal Board are Romin Patel, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$5,709
IMPR.: \$39,233
TOTAL: \$44,942

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of wood siding exterior construction¹ with 2,425 square feet of living area. The dwelling was constructed in 1967. Features of the home include a crawl space foundation, central air conditioning, a fireplace, and a 315 square foot garage. The property has an approximately 12,563 square foot site and is located in Zion, Zion Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located from 1.17 to 1.86 miles from the subject. The parcels range in size from 8,150 to 11,221 square feet of land area and are improved with 2-story homes ranging in size from 2,116 to 2,576 square feet of living area. The

¹ Additional details regarding the subject property not reported by the appellant are found in the subject's property record card presented by the board of review.

homes were built from 1906 to 1956. Two comparables each have a basement. Each comparable has a garage ranging in size from 348 to 576 square feet of building area. The comparables sold from July 2018 to August 2019 for prices ranging from \$85,000 to \$137,000 or from \$37.10 to \$53.18 per square foot of living area, including land.

Based on this evidence the appellant requested a reduction in the subject's assessment to \$36,371 which would reflect a market value of \$109,124 or \$45.00 per square foot of living area, land included, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$52,641. The subject's assessment reflects a market value of \$158,129 or \$65.21 per square foot of living area, land included, when using the 2020 three year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on three comparable sales located from 0.31 of a mile to 1.57 miles from the subject and within the same assessment neighborhood code as the subject. The parcels range in size from 10,000 to 11,940 square feet of land area and are improved with split-level homes of aluminum, vinyl, or wood siding exterior construction ranging in size from 2,128 to 2,355 square feet of living area. The dwellings were built from 1977 to 2007. Each home has a basement, central air conditioning, one or two fireplaces, and a garage ranging in size from 440 to 528 square feet of building area. The comparables sold from January 2019 to October 2020 for prices ranging from \$163,900 to \$200,000 or from \$77.02 to \$84.93 per square foot of living area, including land.

Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The record contains a total of six comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparables #1 and #3 and the board of review's comparables #2 and #3, due to significant differences from the subject in age. Moreover, the appellant's comparables #1 and #3 sold less proximate in time to the January 1, 2020 assessment date than other sales in this record.

The Board finds the best evidence of market value to be the appellant's comparable #2 and the board of review's comparable #1, which are relatively similar to the subject in lot size, dwelling size, age, and some features. These most similar comparables sold in August 2019 and January 2020 for prices of \$91,000 and \$163,900 or \$43.01 and \$77.02 per square foot of living area, including land, respectively. The subject's assessment reflects a market value of \$158,129 or

\$65.21 per square foot of living area, including land, which is bracketed by the best comparable sales in this record, but does not appear to be justified after considering appropriate adjustments to the best comparables for differences from the subject, such as foundation type and dwelling size. Based on this evidence the Board finds a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
