

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Ken Citterman  
DOCKET NO.: 20-00739.001-R-1  
PARCEL NO.: 04-09-407-069

The parties of record before the Property Tax Appeal Board are Ken Citterman, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$8,659  
**IMPR.:** \$71,950  
**TOTAL:** \$80,609

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 1-story dwelling of wood siding exterior construction<sup>1</sup> with 2,086 square feet of living area. The dwelling was constructed in 2007. Features of the home include a full basement, central air conditioning, and an 816 square foot garage. The property has an approximately 15,878 square foot site and is located in Winthrop Harbor, Benton Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on six comparable sales located from 0.33 of a mile to 1.21 miles from the subject property and within the same assessment neighborhood code as the subject property. The parcels range in size from 10,611 to 19,824 square feet of land area and

are improved with 1-story homes ranging in size from 1,730 to 2,450 square feet of living area. The dwellings were built from 1990 to 2004. Each home has a basement, central air conditioning, and a garage ranging in size from 540 to 1,326 square feet of building area. Four homes each have a fireplace. The comparables sold from March 2018 to April 2019 for prices ranging from \$185,000 to \$235,000 or from \$89.80 to \$134.29 per square foot of living area, including land. Based on this evidence the appellant requested a reduction in the subject's assessment to \$75,088 which would reflect a market value of \$225,287 or \$108.00 per square foot of living area, including land, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$80,609. The subject's assessment reflects a market value of \$242,142 or \$116.08 per square foot of living area, land included, when using the 2020 three year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales where comparable #4 is the same property as the appellant's comparable #2. The comparables are located from 0.63 of a mile to 1.12 miles from the subject property and within the same assessment neighborhood code as the subject property. The parcels range in size from 10,500 to 19,820 square feet of land area and are improved with 1-story homes of vinyl siding, wood siding, or brick and wood siding exterior construction ranging in size from 1,678 to 2,096 square feet of living area. The dwellings were built from 1939 to 1992. Each comparable has a basement and a garage ranging in size from 484 to 676 square feet of building area. Three homes have central air conditioning and two homes each have a fireplace. The comparables sold from February 2019 to July 2020 for prices ranging from \$172,500 to \$239,900 or from \$100.76 to \$140.05 per square foot of living area, including land. Based on this evidence the board of review requested the subject's assessment be sustained.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of ten comparable sales, with one common sale, for the Board's consideration. The Board gives less weight to the appellant's comparables #5 and #6 and the board of review's comparables #1, #2, #3, and #5, due to substantial differences from the subject in dwelling size and/or age.

The Board finds the best evidence of market value to be the appellant's comparables #1, #3, and #4 and the appellant's comparable #2/board of review's comparable #4, which are more similar to the subject in dwelling size, age, and features. These most similar comparables sold from March 2018 to April 2019 for prices ranging from \$185,000 to \$228,000 or from \$89.80 to \$105.56 per square foot of living area, including land. The subject's assessment reflects a market

value of \$242,142 or \$116.08 per square foot of living area, including land, which is above the range established by the best comparable sales in this record, but appears to be justified given the subject is a newer home than the best comparables. Based on this evidence and after considering appropriate adjustments to the best comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
