

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Terry Boone
DOCKET NO.: 20-00747.001-R-1
PARCEL NO.: 04-03-306-001

The parties of record before the Property Tax Appeal Board are Terry Boone, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$5,103
IMPR.: \$53,908
TOTAL: \$59,011

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1-story dwelling of brick exterior construction with 1,912 square feet of living area. The dwelling was constructed in 1956. Features of the home include a full basement, two fireplaces, and a 480 square foot garage. The property has a 7,112 square foot site and is located in Winthrop Harbor, Benton Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales located from 0.10 of a mile to 1.21 miles from the subject property. The parcels range in size from 10,559 to 21,240 square feet of land area and are improved with 1-story homes ranging in size from 1,692 to 2,096 square feet of living area. The dwellings were built from 1954 to 1976. Each comparable has a basement and a garage ranging in size from 513 to 676 square feet of building area. Two homes each have central air conditioning and three homes each have a fireplace. The comparables sold from

January 2019 to June 2020 for prices ranging from \$160,000 to \$239,900 or from \$90.75 to \$114.46 per square foot of living area, including land.

Based on this evidence the appellant requested a reduction in the subject's assessment to \$54,168 which would reflect a market value of \$162,520 or \$85.00 per square foot of living area, including land, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$59,011. The subject's assessment reflects a market value of \$177,263 or \$92.71 per square foot of living area, land included, when using the 2020 three year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales where comparable #1 is the same property as the appellant's comparable #4. The comparables are located from 0.10 of a mile to 1.67 miles from the subject property. The parcels range in size from 8,810 to 38,660 square feet of land area and are improved with 1-story homes of wood siding or brick and wood siding exterior construction ranging in size from 1,092 to 2,096 square feet of living area. The dwellings were built from 1954 to 1996. Each home has a basement, one or two fireplaces, and a garage ranging in size from 352 to 596 square feet of building area. The comparables sold from May 2019 to September 2020 for prices ranging from \$185,000 to \$239,900 or from \$114.96 to \$169.41 per square foot of living area, including land.

Based on this evidence the board of review requested the subject's assessment be sustained.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of eight comparable sales, with one common sale, for the Board's consideration. The Board gives less weight to the board of review's comparables #2, #4, and #5, due to substantial differences from the subject in dwelling size, lot size, and/or age. The Board gives less weight to the appellant's comparable #3, which is located more than one mile from the subject.

The Board finds the best evidence of market value to be the appellant's comparables #1 and #2, the appellant's comparable #4/board of review's comparable #1, and the board of review's comparable #3, which are more similar to the subject in dwelling size, age, location, and features, although these properties have larger lots than the subject. These most similar comparables sold from January 2019 to June 2020 for prices ranging from \$160,000 to \$239,900 or from \$90.75 to \$127.74 per square foot of living area, including land. The subject's

assessment reflects a market value of \$177,263 or \$92.71 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence and after considering appropriate adjustments to the best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
